  Access to Library Resources and Services for Minors
Introduction

1. PURPOSE

Public libraries are all about access to services. Materials and resources are acquired, organized, and made freely available to users. Space is provided for people to meet and interact with other community members, both formally and informally. In order to insure equitable, responsible, and safe access to both the facility and its materials, the Board of Trustees of Mahopac Public Library has adopted a number of governing policies and procedures.

These policies are reviewed on a regular basis. As circumstances warrant and issues arise, new policies may be added and existing policies may be revised or deleted. Library users are encouraged to express their opinions about these policies to the Library Director.

2. LIBRARY HISTORY

Mahopac Public Library began in a classroom at Lakeview School in 1952. Later, the Library Association rented space on the second floor of Erickson’s Ice Cream Parlor and, in 1967, the Association purchased the whole building—approximately 5200 square feet of space on two levels plus another 2000 square feet of basement storage. Even then, the space limitations were apparent. In 1976, a capital campaign was undertaken. However, it fell short of its goal and, in lieu of the proposed expansion, some structural renovations and enhancements were made. The open-air porch on the second floor was enclosed, new windows were installed, and an enclosed entry was built.

During the 1980s, space concerns took a back seat to the need for a secure financial foundation. In 1987, the effort to create a tax-based, school district public library was achieved.

The 1990s saw renewed interest in space and technology. In 1991, the Board of Trustees authorized another renovation. This time, the roof was replaced, air conditioning was installed, new carpeting was laid, and the interior of the building was repainted. In 1995, the Library became a member of the Mid-Hudson Library System’s automated circulation system.

Changing demographics (new families with young children, immigrants, retirees), an expanding population, and a fluctuating economy once again placed pressure on the library’s building. Beginning in 1994, the Board began exploring the possibility of a new facility, undertook a feasibility study, retained the services of an architect and a construction management firm, and finally put the issue before the voters. In October 2000, residents of Mahopac Central School District approved a 7.9 million dollar bond issue in order to build a 30,000 square foot library on the site of Erickson’s Ice Cream Parlor.

On October 17, 2000, voters in the Mahopac Central School District approved a $7.9 million bond issue for the construction of a new library facility on its present site. The new facility opened to the public on March 23, 2004 and was officially dedicated on April 28, 2004.

Policy Adopted: January 24, 2018
3D Printing

Mahopac Public Library (MPL) strives to offer access to new, emerging and established technologies to inspire creativity and encourage lifelong learning. This policy establishes how and under what circumstances the public may use MPL’s 3D printers.

Rules Governing the Use of 3D Printers

3D printers are available to the public to make three-dimensional objects using a design that is uploaded from a digital computer file.

The public will not be permitted to use 3D printers to create material that is:

- Prohibited by local, state or federal law.
- Unsafe, harmful, dangerous or poses an imminent threat to the wellbeing of others, including but not limited to drug paraphernalia and weapons. (Such use may violate the terms of use of the 3D printer design software.)
- Content or objects that may be construed as having intent to harm.
- Obscene or otherwise inappropriate for the library environment.
- In violation of another’s intellectual property rights or the 3D printer design software terms of use. For example, the printers shall not be used to reproduce material that is subject to copyright, patent, trademark or trade secret protection.

Copyright

Mahopac Library does not claim to control the copyright for submitted 3D print files and is not responsible for the improper or illegal use of any printed 3D files submitted for printing.

It is the library patron’s responsibility to guard against the infringement of rights that may be held by others and for clearing reproduction rights and copyright restrictions. Library staff will provide any information available for specific items that it has available to the user in this regard if a specific request is made. The Library provides such information as a service to aid patrons in determining the appropriate use of an item, but that determination ultimately rests with the library patron.

Purpose

3D printers are intended for educational, entertainment and prototyping purposes. MPL does not provide access to 3D printers for the production or sale of goods. Assistance with the use of the 3D printer by library staff does not constitute knowledge, or acknowledgement, of any final use of the 3D object. Once in possession by the patron, MPL expressly disclaims any and all personal injury or property damage caused by use or misuse of a 3D printed object.

Cost

3D printing as part of a library program may be free. MPL reserves the right to charge a fee to cover the costs of printing materials.
Use
Patrons may only use the 3D printer with the assistance of designated library staff or volunteers. Patrons will be charged the full replacement/repair cost of any components that are damaged due to misuse or neglect. MPL is not responsible for any projects that fail to print correctly.

Access to the 3D printer may be revoked at any time by the Library Director.

Patrons should visit the library’s 3D Printer webpage (https://mahopaclibrary.org/3DPrinting) to view current procedures for requesting print time and any applicable fees.

Items printed from MPL 3D printers that are not picked up within fourteen (14) days after completion will become property of the library. Design files will be deleted by MPL staff at the time of printing or at the end of each day. Items must be picked up by the patron who requested them unless alternative arrangements have been made in advance. MPL reserves the right to refuse any 3D print request.

Policy Adopted: December 19, 2018
Alcohol Use

From time to time there will be occasions where the serving of wine and/or champagne may be appropriate. In order to provide guidance for the use of alcohol, the Trustees of the Mahopac Public Library have adopted this Policy that shall govern those occasions.

The Library Director must approve the request. Factors considered for approval include:

- the nature of the event;
- the number of attendees; and
- the time of day.

Library funds may not be used to pay for alcohol.

No one under the age of 21 may consume, possess, or be served any alcoholic beverages, even with the consent of his/her parent or guardian.

During the Library’s regular hours of operation, the serving and consumption of wine and/or champagne is limited to the third floor.

Individuals or groups who violate state or local laws or this policy may be prohibited from attending and/or hosting future events at the Library where wine and/or champagne are available.

In addition, the following procedural requirements apply to functions sponsored by non-library groups.

The organization must indicate its intent to serve wine and/or champagne in the Application for Meeting Arrangements as part of the description of the event and complete the Hold Harmless Agreement. [See Mahopac Public Library Meeting Room Policy.]

The organization must provide proof of insurance in the amount of $1,000,000 naming the Library as the covered entity for purposes of the event. If a third party will be serving the wine and/or champagne, then this party also must provide proof of insurance and hold all necessary licenses.

Americans with Disabilities Act Compliance Policy

The Mahopac Public Library affirms its support of equal access for persons with disabilities and the Americans with Disabilities Act (ADA). The Library seeks to make its services, facilities, and programs as accessible as possible to the public, including those covered by the ADA.

The following procedures have been developed in order to assist the Library in addressing concerns about accessibility. People who wish to request accommodation or make a complaint about accessibility at the Mahopac Public Library have access to a three step procedure:

**Step One:** Requests for accommodation and/or complaints about accessibility can be presented in person or over the phone. These should be addressed to the Library Director who will then make every attempt to provide accommodation and/or resolve the issue without further recourse to this procedure.

**Step Two:** If resolution is not achieved through Step One, a complaint can be presented in writing on an Accessibility Complaint Form. Assistance in completing this form is provided as needed. Completed forms will be reviewed by the Library Director and a formal response will be provided to the library user within ten working days of the date of original submission of the form. The formal response may be a telephone call followed by a letter confirming the telephone discussion, or directly by letter. The Library Director will make every attempt to resolve the issue through this means.

**Step Three:** If resolution is not achieved through Step Two, the concerned individual can request that the complaint be presented to the Library Board. The Library Director will place the matter on the agenda so that the concerned individual can present his or her concern at the next regularly scheduled Library Board meeting. The decision of the Library Board is final. If resolution still is not achieved, the concerned individual may wish to pursue other courses of action as described in the ADA and related regulations.

A copy of the policy will be attached to the Accessibility Complaint form.

Bulletin Boards and Literature Displays

PURPOSE
The Mahopac Public Library provides bulletin boards, and literature racks and shelves, for the purpose of disseminating library, government, community, and public service information of educational or cultural interest. These services are in keeping with the Library’s philosophy of providing access to a wide range of information sources.

In providing these services, the Library subscribes to the Library Bill of Rights. Article I states, “Materials should not be excluded because of the origin, background, or views of those contributing to their creation.” Article II states, “Materials should not be proscribed or removed because of partisan or doctrinal disapproval.” Article VI maintains that exhibit space should be made available “on an equitable basis, regardless of the beliefs or affiliations of individuals or groups requesting their use.”

The posting or distribution of such materials does not indicate that the Library advocates or endorses the ideas, viewpoints, or events promoted by those materials.

PRIORITIES AND GUIDELINES
Because space is limited, materials meeting the requirements contained in this policy will be posted and/or distributed in the following order of priority:

- Mahopac Public Library announcements and publications;
- other Putnam County libraries;
- other Mid-Hudson Library System libraries;
- local, county, state, and federal government agencies;
- educational, cultural, civic, and recreational organizations of Putnam, Westchester, and Dutchess counties;
- individual residents of the Mahopac Central School District; and
- all others.

The following types of items will not be accepted:

- materials devoted to the sale, advertising, solicitation, or promotion of commercial products or services for a single profit making business.
- materials aimed primarily at soliciting members, requesting donations, raising funds or selling merchandise. Exceptions may be made for cultural organizations and special events held by local organizations.
- materials that have the primary effect to proselytize for a single point of view.
- petitions for public signature from outside organizations.
- campaign or ballot related literature.
- rental or bankruptcy notices.
- materials inconsistent with Library policies.

PROCEDURES
Before display, all materials for posting or display must be approved by the Library Director or his/her designee. Any materials found on the bulletin boards or in the literature racks and shelves that have not been approved shall be removed and discarded.
Designated members of the Library staff are responsible for the posting of materials on the bulletin boards and the placement of literature in the display racks or shelves.

In order to keep the bulletin boards and literature racks and shelves neat and current, the Library reserves the right to:

- determine where and how the item(s) will be posted or displayed.
- limit the size and quantity of the item(s) to be posted or displayed.
- limit the length of time the item(s) will be posted or displayed.
- dispose of materials that have been posted or displayed by individuals other than the Library Director or designated staff member(s).

The Library is not responsible for lost, damaged or stolen materials that have been posted or displayed.

The Library is not responsible for returning materials that have been posted or displayed.

Children

Mahopac Public Library endeavors to be a vital, friendly, comfortable center for meeting the informational, educational, recreational, and cultural needs for all residents of the community. The Library welcomes children to use its facilities and services and wants them to have a memorable visit in a safe and secure environment.

1. **SUPERVISION**

   1.1 Library staff are responsible for assisting children with locating materials, answering reference questions, and presenting programs for the education and enjoyment of children. The Library assumes no responsibility for the care and supervision of children. The Library is not able to provide short- or long-term childcare and is not a substitute for supervised after-school or daycare programs. Parents or designated caregivers are solely responsible for their children’s supervision and behavior while using the Library.

   1.2 Children in fifth grade and under shall be accompanied in the building by a responsible adult who must remain with the children at all times. [In accordance with New York State General Obligations Law Section 3-112, an adult is a person eighteen (18) years of age or older.] If children are participating in a Library program that does not require the designated caregiver to participate with their children, the designated caregiver must remain in the building. If a child in fifth grade or under is found to be unattended in the Library, they may be allowed to use the Library phone to contact their parent or guardian to arrange to be picked up. If contact with a parent or guardian cannot be made, Library staff will contact the Carmel Police Department. In cases where children in fifth grade or under are left unattended in the Library on more than one occasion, Library staff may refer the matter to the Carmel Police Department or other appropriate social service authorities.

   1.3 Children in sixth grade and up may use the Library unattended as long as their behavior is in accordance with the Library’s Code of Conduct. Parents are advised that, even in their absence, they may be legally responsible for their children’s behavior.

2. **DISRUPTIVE BEHAVIOR**

Children who do not abide by the Library’s Code of Conduct (whether or not accompanied by a responsible adult) will be given a warning that they must either cooperate or leave the Library.

If a child continues to be disruptive after this warning, then the child will be asked to leave. The child will be given the opportunity to contact a parent or responsible adult. If a parent or responsible adult does not pick up the child, then the Carmel Police will be called. [See accompanying Procedures for Disruptive Youth.]
3. CLOSING TIMES

3.1 REGULARLY SCHEDULED CLOSINGS

Parents must be aware of the Library’s hours and must arrange to pick up their children by closing time.

If an unattended child is still in the building at closing time, then the Library staff will act according to the following guidelines:

- Children will be given the opportunity to contact a parent or responsible adult.
- Staff members will not drive or escort the child(ren) off the premises.
- If the child is not picked up by a parent or responsible adult, then the staff will contact the Carmel Police and a designated staff member will wait with the child until they arrive.

3.2 EMERGENCY CLOSINGS

The Library may have sudden emergencies such as lack of heat or electricity. This may necessitate closing the Library without warning. Children should know what to do if the Library must close unexpectedly. If a child is left unattended during an emergency closing, then the same guidelines outlined in Section 3.1 will apply.

4. ACCESS TO MATERIALS

Parents are responsible for their children’s use of books, materials, and resources of Mahopac Public Library. Parents are the ultimate guardians for the informational pursuits of their children. No attempt will be made by the Library staff to restrict access to information.

5. RESPONSIBILITY FOR MATERIALS

Children are issued library cards according to the process described in the Use of Materials section of the Policy Manual.

Parents will be responsible for unreturned or damaged materials checked out to, or otherwise removed from the Library, by their children through the age of eighteen (18).

Policy Adopted: May 23, 2001
Reviewed: May 24, 2017
PROCEDURES FOR DISRUPTIVE YOUTH

Disruptive youth will be:

- Verbally warned that their conduct violates Library policies.
- Given a copy of the Library’s Code of Conduct.
- Asked to contact a responsible adult to pick them up if they fail to immediately comply with the directive to cease the disruptive conduct.
- Asked to exit the premises if they fail to immediately comply with the directive to contact a responsible adult to pick them up. Refusal to comply with such request and/or hostile or threatening responses may result in Library Staff notifying the police.

Incident Reports

Incident reports must be in writing and given to the Library Director. Copies of all reports will be kept at the Circulation Desk, the Youth Services Desk, the Reference Desk, and the Information Desk. A log of incidents will be used to track the names of disruptive youth, the dates and nature of the offenses, and the time period a youth is banned. This log will be kept at the Information, Youth Services, and Reference Desks.

Incident reports are Library records and are governed by the rules of confidentiality.

Repeat Offenders

If the disruptive behavior continues, then the Library Director will send a certified letter, including a copy of the Library’s Code of Conduct, to the youth’s parent or guardian indicating that the youth will not be permitted to enter the Library until his or her parent or guardian contacts the Library Director, in writing, requesting a meeting with the Library Director and/or representatives of the Board of Trustees. At such meeting, the Library Director and/or representatives of the Board of Trustees will meet with the parent/guardian to discuss the youth’s behavior and determine whether, and under what circumstances, they will be given permission to return to the Library. The letter requesting such meeting must include the parent or guardian’s full name, address, phone number, and the name of the offending youth.

Until such time as the parent or guardian requests a meeting with the Library Director and/or representatives of the Board of Trustees, the offending youth will be prohibited from entering the Library premises. In the event that the youth is granted readmission and then continues the disruptive behavior, then he/she may be denied access with no further possibility of reinstatement.
Claims Audit Process

Invoices for goods and services are reviewed by staff to ensure goods have been received and/or services have been performed. Once verified, invoices are sent to the Administrative offices for secondary review, coding, entering into Quickbooks, and approval by the Library Director. Invoices are then prepared for review by the Treasurer in preparation for the monthly Board meeting.

To disburse funds, vouchers must be attached to invoices and approved by the Board. This approval may take the form of a warrant list, normally approved at the Board meeting. The warrant list is produced by the Library Director. The associated checks are printed by the accountant/bookkeeper, and the checks are signed by the Financial Officer and the President or Vice President of the Board of Trustees. Disbursements for bills to be paid online are scheduled by the Director or the Assistant Director to be sent the day after they are approved at the monthly Board meeting.

For recurring bills, such as utility bills, the Board may, on a yearly basis, approve one voucher and with an accompanying resolution, agree to pay these bills for the remainder of the year. These claims for pre-payments will be reviewed and approved at the next Board meeting.

Vendors can expect to receive payment within thirty (30) days of receipt of the invoice.

In the event that the Board does not meet or a time sensitive bill comes due, the Library Director will send a note to the Board members asking that they come to the library to approve and sign the warrant list. The warrant list will be approved when a simple majority of the full board signs the list.

Once a month, the Treasurer and the Board of Trustees will review the detailed financial report.

At year end, a copy of the financial records will be saved on secure media and filed with the annual reports.

Policy adopted: February 25, 2015
Revised: September 26, 2018

Any patron not abiding by these or other rules and regulations of the Library may be required to leave the Library premises and/or be denied the privilege of access to the Library’s materials and resources by the Library’s Director. Library employees may contact the police if deemed advisable.

A patron whose privileges have been denied may have the decision reviewed by the Board of Trustees. Any appeals on policy matters must be submitted to the Board of Trustees in writing. This includes any patron whose privileges have been denied. [See Procedures for Disruptive Youth and Procedures for Disruptive Adults.]

PROCEDURES FOR DISRUPTIVE ADULTS

Library staff who have acted on their best judgment in confronting a person will be supported by their supervisor, the person in charge, and the Library Director. Any staff member who observes or receives complaints of inappropriate behavior may:

- Handle the problem directly with the patron. Staff should use their judgment as to whether the situation requires assistance from another staff member.
- Immediately telephone the police if the situation is of a severe/violent or emergency medical situation.
- Contact the person in charge if the situation is of a nature that the staff member chooses not to confront the patron.
- Contact the police if the patron is not responding to staff requests to conform to Library policies.

In all cases, the Library Director should be notified as soon as possible when the staff member confronts a patron who violates Library policies.

Incident Reports
Incident reports must be in writing and given to the Library Director. Copies of all reports will be kept at the Circulation, Information, Reference, and the Youth Services Desks. The Director will inform staff of patrons who are banned and the time periods for which they are banned.

Incident reports are Library records and are governed by the rules of confidentiality.

Inappropriate Conduct – Minor Offenses
The following list of behaviors, which is not intended to be an exhaustive list of such behaviors, are examples of “inappropriate” behavior and shall be deemed minor offenses: sleeping; excessive and/or disruptive conversations; eating or drinking in undesignated areas of the Library; talking on cell phones in undesignated areas of the Library; monopolizing unreasonable numbers of Library materials at any given time; monopolizing staff time thereby preventing them from carrying out their normal responsibilities; canvassing, selling, soliciting, or engaging in any other commercial activity; violating Internet and computer policies; excessive staring at patrons or staff; intoxication; smoking; bringing animals into the Library except for licensed guide and therapeutic animals; and any other activities listed in the Library’s Code of Conduct not covered under Major Offenses which are inconsistent with conduct normally associated with the use of public library facilities such as reading, studying, using library materials and equipment, and attending programs or events.

Treatment of Minor Offenses
Patrons will be:
- Verbally warned that their conduct violates Library policies.
- Given a copy of the Library’s Code of Conduct.
- Asked to exit the premises if they fail to immediately comply with the directive to cease the disruptive conduct. Refusal to comply with such request and/or hostile or threatening responses may result in Library staff notifying the police.
- Subject to the Banning Procedure if the disruptive behavior continues.
Inappropriate Conduct – Major Offenses
The following list of behaviors, which is not intended to be an exhaustive list of such behaviors, are examples of “inappropriate” behavior and shall be deemed major offenses: stealing, effacing or damaging Library property; abusive, indecent, profane, or drunken conversation and/or behavior; committing any crime, misdemeanor, or violation of a law, on Library premises; knowingly entering non-public areas of the Library; and any other activities listed in the Library’s Code of Conduct not covered under Minor Offenses.

Treatment of Major Offenses
Any persons committing major offenses will be asked to leave the building immediately. Refusal to comply with such request and/or hostile or threatening responses will result in Library staff notifying the police. The patron may be banned for a period from two (2) weeks up to six (6) months at the discretion of the Library Director, depending upon the nature and seriousness of the offense which required removal, the extent of damage or disruption caused, any history of prior infractions of Library policies, and other relevant circumstances.

Banning Procedure
After staff consultation regarding repeat or major behavioral offenses, the Library Director may determine that the patron should be banned. The Library Director will:

- Provide a written decision that sets for the period during which the patron shall be banned from the Library and specifies the reasons for the determination. Staff will be notified of the banning and a copy of the written decision will be kept at the Circulation, Information, Youth Services, and Reference Desks.
- Send a certified letter to the patron notifying him/her of the reasons for and length of the banning and indicating that he/she will not be permitted to enter the Library until either the banning period ends or he/she writes a letter to the Library Director requesting a meeting with the Library Director and/or representatives of the Board of Trustees. At such meeting, the Library Director and/or representatives of the Board of Trustees will meet with the offending adult to discuss the behavior(s) at issue and to determine whether the banning period will be shortened or terminated if information submitted by the patron warrants modification.
- The Board of Trustees will be notified of any banned patrons in a timely manner.
- Depending upon the reason that the patron has been banned, the police may be notified at the discretion of the Library Director.

Repeat Offenders
Any patron who enters or remains on Library premises after having been notified by an authorized individual not to do so, and any person who enters or remains on Library premises during the period he/she has been banned from the Library, may be subject to civil and/or criminal penalties, up to and including arrest and prosecution for trespassing.

After the banning period ends, the patron may re-apply for readmission to the Library by submitting a written request to the Library Director. However, the patron will need to show evidence that the offending behavior will not re-occur.
In the event that a patron is granted readmission and then exhibits any of the behaviors described above, then he/she may be denied access with no further possibility of reinstatement.

**Appeals Process**
At any time during the banning period, the patron may appeal the ban. The patron must write a letter to the Library Director requesting a meeting with the Library Director and representative(s) of the Board of Trustees. At such meeting, the representatives of the Library will meet with the patron, who may be accompanied by an advocate, to determine whether, and under what circumstances, the patron will be given permission to return to the Library. The letter requesting such a meeting must include the patron’s full name, address, and telephone number. Until such time as the patron requests a meeting with the Library Director and a representative(s) of the Board of Trustees, he/she will be prohibited from entering the Library premises.

If the patron is not satisfied with the decision of the representative(s) of the Library’s Board of Trustees, then he/she must write a letter to the President of the Board of Trustees that sets forth the reasons for the appeal and requests a meeting with the entire Board of Trustees at their next regularly scheduled Board meeting. The letter requesting such meeting must include the patron’s full name, address, and telephone number. The President of the Board of Trustees will:

- Send a certified letter to the patron notifying him/her of the date and time of the next regularly scheduled meeting of the Board of Trustees.

Computer Resources

PURPOSE
In order to facilitate research, learning, and recreational pursuits, the Mahopac Public Library offers a variety of resource formats and services, including public access to computers, information databases, and the Internet. In order to assure equitable and appropriate access to these computers and various electronic resources and in order to balance the provision of a safe, welcoming, comfortable environment with the principles of open access, the Board of Trustees of Mahopac Public Library has adopted the following policies, guidelines, and procedures.

Failure to comply with these policies, guidelines, or procedures may result in the suspension of computer and/or Library privileges.

Illegal use of computers may result in prosecution by local, state, or federal authorities.

ACCEPTABLE USE
Disclaimer: Users access Library computer hardware, software, and documentation at their own risk. The Library is not responsible for equipment malfunction, loss of data, any damages to the user’s personal storage devices, or electronic transactions of any type that are related to the public’s use of the Library’s computer resources. The Library does not guarantee the privacy or confidentiality of the electronic transmission of information.

Responsibilities of computer users:
- Users are not permitted to alter the programs currently installed on the Library’s systems or to access any aspect of the Library’s network without authorization. Anyone tampering with any Library hardware or software may be denied access to Library computers in the future and may lose their Library privileges or be subject to criminal and/or civil penalties.
- Users may not infringe upon the rights and privileges of other Library patrons. Some Internet sites are inappropriate for viewing in the public library setting. Library staff reserve the right to end Internet sessions when legally prohibited or inappropriate materials are displayed.

Internet access:
- The Internet is a vast, constantly changing network of information. The Library is an Internet access point and does not guarantee a connection to the Internet, or to a specific site, or the quality, accuracy, authenticity, or timeliness of the information located by the user. It is the responsibility of the user to evaluate the information found on the Internet.
- The Library disclaims any liability or responsibility arising from access to, or use of, information obtained through electronic information systems. Provision of access does not imply Library sponsorship or endorsement.
- Parents or legal guardians are solely responsible for supervising their child’s use of the Library’s computer resources sessions. Parents and guardians are reminded that the Library is not responsible for the supervision of minor patrons and that such minor patrons may be able to access age-inappropriate or unlawful materials via the Library’s computers and devices.
**Copyright:** United States Copyright Law prohibits the unauthorized reproduction or distribution of copyrighted materials, except as permitted by principles of fair use. Users may not copy or distribute electronic materials (including electronic mail, text, audio files, images, programs, or data) in violation of the Copyright Law.

**Filtering:** The Library has implemented software filtering on its public Internet-accessible computer terminals. The installed software protects against access to visual depictions of obscenity, child pornography, and materials that are deemed “harmful to minors”. Users should be aware, however, that all currently available filtering software results in a degree of “underblocking” (i.e., permitting access to certain materials that fall within the aforementioned categories) and “overblocking” (i.e., denying access to certain constitutionally protected materials that do not fall within the aforementioned categories). The Library has attempted to select filtering software that best complies with Federal statutes while providing Library patrons with the broadest possible access to constitutionally protected speech and information. The Library cannot and does not guarantee that the filtering software will block all obscenity, pornography, or materials that are harmful to minors. Nor can the Library guarantee that the filtering software will not restrict access to sites that have legitimate research or other value. In order to help address the overblocking problem and to enhance users’ access to constitutionally protected speech and information, the Library requests that all users, both adults and minors, contact the Library at reference@mahopaclibrary.org (or such other contact point as the Library shall designate from time to time) to request unblocking of an incorrectly blocked site. Such sites may be unblocked for immediate usage in the Library at the discretion of the Reference staff.

**UNACCEPTABLE USE**

**Disclaimer:** Patrons may not use the Library’s computers in an unlawful manner. Any responsibility for any consequence of illegal use lies with the users. The Library expressly disclaims any liability or responsibility resulting from such use.

Examples of unacceptable uses include but are not limited to, the following:

- Display of materials inconsistent with the mission of the Library or inappropriate to a public setting including, but not limited to, sexually explicit materials;
- Harassment of others;
- Libeling or slandering other users;
- Destruction of, or damage to, equipment, software, or data belonging to the Library or other users;
- Unauthorized copying of copyright-protected material;
- Unauthorized use of computer accounts, access codes, or network identification numbers assigned to others;
- Use of eavesdropping or spying (spyware) software; or
- Use of computer communication facilities in ways that unnecessarily impede the computing activities of others.

**GUIDE TO AVAILABLE COMPUTER RESOURCES**

The following computer resources are available. Some restrictions may apply.
• Online Public Access Computers (OPACs): allow users to search the catalogs of Mid-Hudson Library System’s member libraries, request and renew materials, check their records, and access a selection of electronic journals and resources.

• Quick Internet computers: allow users to search the Internet for 15 minutes, or longer, at the discretion of the Library staff.

• Early Literacy computers: allow children through Grade 3, accompanied by a parent, guardian, or other responsible adult, to use a variety of pre-loaded age-appropriate software that focuses on problem solving and literacy skills.

• Youth Services Internet computers: allow children through Grade 12 with either a valid library card from one of the Mid-Hudson Library System’s libraries or a visitor pass to use the Internet and a variety of software programs including, but not limited to, the Microsoft Office suite of products.

• Public Internet computers: allow users with either a valid library card from one of the Mid-Hudson Library System’s libraries or a visitor pass to use the Internet and a variety of software programs including, but not limited to, the Microsoft Office suite of products.

• Wireless Access: wireless access is available throughout the Library but the Library does not guarantee connectivity. Users of wireless access agree to the terms of the Library’s Computer Resources Policy and use such access entirely at their own risk. The Library will in no way be responsible for damages resulting from such use. Students using Mahopac Central School District issued devices have direct access to the Library wifi and are expected to comply with the appropriate use standards set forth in the MCSD’s device agreement which governs a student’s use of school issued devices in both on campus and off campus settings.

• Learning Lab: the Learning Lab is designed for onsite Library sponsored trainings and workshops. Other groups and organizations may request to use the lab by submitting an Application for Meeting Arrangements. The group or organization must agree to the terms of the Learning Lab, the Computer Resources, and the Meeting Rooms policies in order to use Learning Lab. A member of the Library’s staff may be required to be present during such use and additional fees may apply. For questions regarding such fees, contact the Library Director. [See also Learning Lab and Meeting Rooms policies.]

PROCEDURES

The following procedures guide the use of the Library’s computer resources.

• In order to access the Library’s computer resources, users must sign in. The Learning Lab computers may be used only under direct staff supervision.

• When a user has signed in, the computer will display the Computer Resources policy. If you agree, then click on the Continue button. You will be logged on and have access to certain computer resources. Further, by clicking on the Continue button, you release the Library and hold it harmless, in advance, from any and all damages, direct and indirect, arising from your (and your minor child’s) use of the Library’s Internet/wireless connections. You further agree to
all terms and provisions of this policy and to abide by all rules posted by the Library for use of the Internet/wireless connections. If you do not agree by clicking Continue, then you will not be able to log on and computer access will be denied.

- Youth Services Internet and Public Internet computers may be used for a one-hour time period. If no one is waiting, then users may request that staff add for additional time in one-hour increments. Computers automatically restart after each session has ended to ensure the privacy of patron computer use activities.

- Early Literacy computers may be used for a half-hour time period. If no one is waiting Library staff may add time in one hour increments. The Quick Internet may be used for 15 minutes. Time may be extended at the discretion of Library staff if no one is waiting.

- The Youth Services, Early Literacy, and Public Internet computers are set to automatically turn off 10 minutes prior to the Library’s closing time. All other computers will be manually turned off at 10 minutes prior to the Library’s closing time or at other times deemed necessary at the discretion of the Library Director.

- No more than two (2) people at a time are permitted at a computer.

- Most of the computers have audio capability. Sound must not disturb other users or staff. You may use your own headphones or earbuds, or you may purchase headphones at the Circulation Desk.

- There is a fee for printing from the computers. This fee applies whether the user brings paper or uses the Library’s paper.

- Users may not save documents or personal files to the Library’s hard drives or network; security software erases the browsing history, files, bookmarks, and cookies with each logon. All documents must be saved to a storage device belonging to the user. You may purchase a USB flash memory stick at the Circulation Desk. The Library is not responsible for the use of such storage devices or the loss of data attempted to be saved to them. No storage devices are permitted on the Early Literacy computers.

- Library staff are not responsible for providing individualized or in-depth computer training. They will attempt to answer basic questions and help users to locate resources on the Internet, including the Library’s own online databases. However, they may not be able to troubleshoot specific hardware or software problems. Computer classes and drop-in help are available in the Learning Lab. Information about these options is available at the Information Desk and on the Library’s calendar of events.

**MOBILE PRINTING**
The Mahopac Public Library offers mobile printing. If you are at home, in the Library, or anywhere with an Internet connection, you can now print emails, attachments, photos, boarding passes, web pages and
more from your smart-phone, tablet, desktop computer or laptop and send it to a printer at the Library. See Library website for information on compatible formats and size restrictions.

Print jobs can be picked up at the Print Release Station on the Library’s second floor and will remain in the queue for three (3) days. Instructions for mobile printing are on the Library’s website.

Corporate Credit Card

Credit cards will be established in the name of the Mahopac Public Library and the specific name of an individual with a maximum credit limit for each set by the Library Director. All monthly statements and correspondence will be sent to the Library.

Credit cards will be issued to:

a. The Library Director
b. The Assistant Library Director
c. Those Library personnel authorized by the Board of Trustees

The criteria for choosing the card will be acceptability, annual fees, monthly payment terms and interest charge terms. Rebates or accumulation of points will be a secondary concern.

The authorized cardholder(s) are to retain sole possession of the card(s). Unauthorized use or misuse of the card(s) is the personal responsibility of the cardholder(s). The credit card may not be used for personal expenses. If the card is lost or stolen, the Library Director must be notified immediately. This loss must also be reported to the Library’s Board of Trustees.

The use of the corporate credit card is to facilitate purchasing books on-line, paying for seminar and travel costs, buying supplies in bulk at certain buying clubs and those other library related purposes approved by the Library Director. Purchases may not exceed each card’s credit limit. There are no exceptions.

The Library is generally exempt from sales tax on purchases. The cardholder must notify the vendor or merchant that the credit card transaction should be tax exempt. The cardholder should provide the Library’s sales tax exemption letter at the time of purchase to avoid paying sales tax. A copy of the letter is available from the Library Director.

Proper documentation to support the expenditure must be submitted prior to the receipt of the monthly statement. Proper documentation is to include a purchase order and one of the following:

- Original, itemized paid receipt indicating the amount paid, the vendor and an itemized description of the purchase.
- In the case of books, subscriptions, or similar types of orders, a copy of the order form document and packing slip or other receiving document must be attached.
- A hardcopy printout of the items ordered online.

Except when circumstances would deem otherwise, the account balance of the corporate card should be paid in full when the monthly statement is received. Incurring interest charges should be avoided.
When the monthly statement is received, the charges must be reviewed and approved by the Library Director following the Library expense approval procedures. The individual expenses must be allocated to the proper expense categories for bookkeeping and accounting purposes. Credit card expenditures will be paid through the Director’s office by check or via electronic banking payment.

In order to insure fair and equitable access, the Board of Trustees of Mahopac Public Library has adopted the following policies and procedures.

iPads may be borrowed by Mahopac Central School District residents who are 18 years of age or older, with a Mahopac Public Library card in good standing. (A library card in good standing is defined as one with no fines, fees, lost or overdue materials.)

iPads are available on a walk-in, first-come, first-served basis. They may not be reserved.

iPads are limited to one per family.

In order to borrow an iPad, the patron’s Library card or photo ID must be presented at the Information Desk. At the time of check-out, the patron shall complete an iPad Loan Agreement.

Before they are checked in, iPads will be examined by Library staff to ensure that they are in working condition and that they have not otherwise been tampered with. Depending on staff availability, this may take several days. No fines shall accrue during this waiting period.

Due to high demand, borrowers must wait one (1) week after returning an iPad to check out an iPad again.

The Library reserves the right to deny the use of iPads to any borrower who repeatedly loses them, returns them late, or tampers with them.

Limited technical support is available from Library staff and only during the Library’s open hours. Borrowers shall attest that they have basic familiarity and comfort with the equipment they will be using.

The borrower assumes full responsibility for the cost of repair or replacement in the event the iPad, or any of the component parts, are lost, stolen, or damaged.

PROCEDURES FOR GALLERY EXHIBITORS

The goal of the Library's gallery area, located on the third floor of the building, is to provide exhibition space for those who wish to convey a visual statement consistent with the mission of the Library. Local artists, crafts people, social organizations, and others are welcome to inquire about exhibition space availability by calling 628-2009, ext.105.

The gallery committee is a three-member panel that includes representatives from the Library and the community; it will make final determinations for all works submitted for exhibition. Scheduling of exhibitions is the responsibility of the gallery committee. Solo exhibitors are limited to no more than one (1) exhibition per year, pending availability. The gallery committee also may negotiate with exhibitors to organize group shows and theme-based exhibits.

To be considered, please expect to submit examples of your work in one (1) of the following formats: slides, photographs, a CD, a DVD, a portfolio, or a Web site address. You will be contacted and an appointment to meet with a representative of the gallery committee may follow. There will be a fee for each exhibition, payable to Mahopac Public Library, upon formal agreement to help defray building maintenance costs.

Carrying specific insurance, beyond the Library's liability insurance, against the theft of, or damage to, works displayed in the gallery, is the responsibility of the exhibitor.

The approximate total of available wall space for hanging pieces is 1,175 square feet. All submitted pieces must be suitable for wall display, not to exceed 84" x 84".

Exhibitors are expected to:

- load in all pieces for the show;
- hang the show, with gallery committee approval and supervision;
- label the pieces with provided number stickers to coordinate with multiple copies of a listing, which you provide, of the title, date, price, dimensions, and contact information for the public to read and/or take away;
- produce and send invitations, if desired;
- provide a guest/visitor sign-in book, if desired;
- write a news release, to be approved and sent by the gallery committee, at least two weeks before the opening of the exhibit;
- make all arrangements (including catering, room setup, and custodial cleanup) for a reception, if desired, with gallery committee approval;
- dismantle and remove all pieces at the conclusion of your exhibition.
If pieces are sold, then the Library suggests a donation in the amount of 15% of the sale price to be made to Mahopac Public Library in recognition of the Library's role in displaying your work.

2. **Useful Life** – The useful life of an asset is the period of time over which an asset may reasonably be expected to be put to its intended use, as measured from the time when the asset is first put to use. The Library shall determine the useful life of any asset based on estimates that do not exceed the period of probable usefulness as described in NYS Local Finance Law.

3. **Capitalization Threshold** – The minimum acquisition cost of an asset for it to be considered a fixed asset. The Library has set the minimum costs by asset as follows:

   a. Land – $10,000
   b. Buildings – $10,000

B. **Capital Project** – A capital project is a project that involves the acquisition, replacement, conversion or improvement of a Library fixed asset that costs $20,000 or more (including total planning and contract services needed to complete the project) and has a useful life of at least five (5) years.

C. **Aggregate Purchases** – Aggregate purchases pertain to purchases of large quantities of like units, which individually might meet the useful life criteria but not the individual cost value in order to be capitalized. Capitalization of such aggregate purchases would be determined on a case-by-case basis.

Fund Balance

PURPOSE AND SCOPE
The general purpose of this policy is to improve Mahopac Public Library’s financial stability by protecting itself against emergencies and economic downturns. The policy is designed to help the Library not only to prepare for a financial emergency but also to ensure the continuity of financial operations. This policy sets forth the minimum required fund balance reserves, the allowable uses of the fund balance reserves, and the Library’s plan to achieve the target level of fund balance reserves.

DEFINITIONS
Fund balance: the accumulated equity balance in a governmental fund resulting from operations over the years. This is the difference between fund assets and fund liabilities.

Undesignated fund balance: The fund balance, excluding all reserves and any other balance dedicated to another purpose.

Operating budget: All expenditures necessary to meet the daily operations of the Library and any debt service payments.

Capital expenditures: Funds for the improvement of, and/or the addition to, the physical plant and for the purchase of furniture, fixtures, and equipment.

GUIDELINES
The trustees of the Library shall require a Board restricted net asset to be no less than the estimated cost of four (4) months of operation, or 33%, of the most current operating budget.

The minimum amount shall be $430,000 and shall be increased annually until the target amount is reached.

These funds shall be deposited in a separate interest-bearing account that meets the requirements as set forth in the Investment Policy.

An affirmative vote of a majority of the total membership of the Board shall be necessary in order to change either the target amount or the minimum amount.

In appreciation of community support, the Mahopac Public Library accepts gifts, donations, and memorials.

Mahopac Public Library accepts gifts under the following conditions:

- Restricted gifts will be accepted on the condition that the specific use requested is consistent with the goals and objectives of the Library. Generally, the Library Director will accept restricted donations that fall within the established collection guidelines or previously established Board of Trustees policy. Donations with unusual restrictions will be referred to the Board of Trustees or the Executive Committee for consideration.

- Unrestricted monetary gifts and gifts of securities or investments generally will be accepted in accordance with Board of Trustees established Investment Policy Statement (IPS).

- Gifts of library materials (books, magazines, audio-visual items, etc.) will be accepted with the understanding that the Library reserves the right to add them to the collection, distribute them to other libraries, sell them, donate them, or discard them. Gift materials will be evaluated by the same selection standards that apply to purchased materials.

- Gifts such as, but not limited to, real and personal property, art objects, portraits, antiques, and other collectibles will be accepted only on the condition that they may be sold, given away, or discarded at the discretion of the Board of Trustees. Any proceeds derived from such disposal may be used by the Library in a manner consistent with the original gift, if practicable.

- Other than cash and negotiable instruments, the Library’s Deed of Gift form must be signed by the donor or his/her executor.

- Gift items will be acknowledged in writing if the donor wishes. The Library, or its agents, will not appraise or estimate the value of gift donations. The responsibility for such assessment normally lies with the donor in accordance with Publication 561, Determining the Value of Donated Property, issued by the Internal Revenue Service. Any letter of acknowledgement will not contain a statement of value.

- Trustees shall not accept gifts of any kind from a member of the public or vendors, except for small items such as a plant or cookies. All other gifts must be refused or returned to the sender with an explanation that the acceptance of gifts is against Library policy.

- Employees may accept gifts in accordance with Personnel Policy 3.10(g) Gifts.

- The Library Director shall report to the Board of Trustees all gifts, not less than quarterly. The report shall include both the nature of the gift and its monetary value.

- The Board of Trustees reserves the right to refuse any gift.

2. **OBJECTIVES**
   The objectives of the Mahopac Public Library’s investment activities are to:
   - adequately safeguard principal;
   - provide sufficient liquidity to meet all operating requirements; and
   - obtain a reasonable rate of return while adhering to all applicable federal, state, and other legal requirements.

3. **DELEGATION OF AUTHORITY**
   Responsibility for administration of the investment program is delegated to the Finance and Budget Committee of the Board of Trustees with the assistance of the Library Director. This Committee shall establish written procedures for the operation of the investment program by majority vote of the quorum of the Board of Trustees and consistent with the investment guidelines outlined in this policy.

4. **PRUDENCE**

   Investments shall be made with judgment and care, under circumstances then prevailing, which persons of prudence, discretion, and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the safety of the principal as well as the probable income to be derived.

   All participants involved in the investment process shall refrain from personal business activity that could conflict with proper execution of the investment program or which could impair their ability to make impartial investment decisions.
5. **DIVERSIFICATION**

It is the policy of the Mahopac Public Library to diversify its deposits and investments by financial institution, by investment instrument, and by maturity scheduling.

6. **INTERNAL CONTROLS**

The Finance and Budget Committee, with the assistance of the Library Director, is responsible for establishing and maintaining an internal control structure to provide reasonable, but not absolute, assurance that deposits and investments are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with Board of Trustees authorization, are recorded properly, and are managed in compliance with applicable laws and regulations.

7. **DEPOSIT OF PUBLIC FUNDS**

Annually, pursuant to a resolution adopted by an affirmative vote of a majority of the total membership of the Board, the Mahopac Public Library shall designate at least one bank as defined by the banking law and located and authorized to do business in New York for the deposit of public funds. The funds are deposited into a money market account and transferred as needed to a checking account for operating purposes. All funds are secured in accordance with the provisions of General Municipal Law §10.

The Mahopac Public Library will purchase treasury notes maturing within one year and/or certificates of deposit from banks and trust companies as defined by the banking law and located and authorized to do business in New York. All certificates of deposit will be FDIC insured up to the current FDIC insurance limits and no one bank will have more than those limits allow. Maturities will be staggered to maintain sufficient cash reserves for current operating expenses.

8. **COLLATERALIZING OF DEPOSITS**

All deposits of the Mahopac Public Library, including certificates of deposit and special time deposits, which are in excess of the amount insured under the provisions of the Federal Deposit Insurance Act shall be secured in accordance with General Municipal Law §10.

Such security agreement shall comply with the provisions of General Municipal Law §10.
• An eligible “irrevocable letter of credit” issued by a qualified bank, other than the bank with the deposits, in favor of the Library for a term not to exceed 90 days with an aggregate value equal to 140% of the aggregate amount of deposits and the agreed upon interest, if any. A qualified bank is one whose commercial paper and other unsecured short-term debt obligations are rated in one of the three highest rating categories by at least one nationally recognized statistical rating organization or by a bank that is in compliance with applicable federal minimum risk-based capital requirements.

• An eligible surety bond payable to the Library for an amount at least equal to 100% of the aggregate amount of deposits and the agreed upon interest, if any, executed by an insurance company authorized to do business in New York State, whose claims-paying ability is rated in the highest rating category by at least two nationally recognized statistical rating organizations.

9. SAFEKEEPING AND COLLATERALIZATION
Eligible securities used for collateralizing deposits shall be held by the depository and/or a third party bank or trust company subject to security and custodial agreements in accordance with the provisions of General Municipal Law §10.

10. PERMITTED INVESTMENTS
10.1 As authorized by General Municipal Law §11, the Mahopac Public Library authorizes the Finance and Budget Committee to invest monies not required for immediate expenditure, except monies the investment of which is otherwise provided for by law, in instruments becoming payable within such time as the proceeds shall be needed to meet expenditures for which such monies were obtained, which may include one or more of the following types of investments.

• certificates of deposit in commercial banks and trust companies located and authorized to do business in New York State;

• obligations of the United States of America;

• obligations guaranteed by agencies of the United States of America where the payment of principal and interest are guaranteed by the United States of America;

• obligations of the State of New York;

• with approval of the State Comptroller, obligations issued pursuant to Local Finance Law §24 or §25 by any municipality, school district or district corporation other than the Mahopac Public Library;

10.2 All investment obligations shall be payable or redeemable at the option of the Mahopac Public Library within such times as the proceeds will be needed to meet expenditures for
purposes for which the monies were provided and, in the case of obligations purchased with the proceeds of bonds or notes, shall be payable or redeemable at the option of the Mahopac Public Library within two years of the date of purchase.

10.3 Except for gift, grants, or bequests given to the Library as a true trust, which are subject to the “prudent investor” provisions of Estates, Powers and Trusts Law §§11-2.2 and 11-2.2, even privately acquired funds are subject to these investment limitations.

11. AUTHORIZED FINANCIAL INSTITUTIONS AND DEALERS
All financial institutions with which the Library conducts business must be credit worthy. Banks shall provide their most recent Consolidated Report of Condition (Call Report) at the request of the Mahopac Public Library. Security dealers not affiliated with a bank shall be required to be classified as reporting dealers affiliated with the New York Federal Reserve Bank as primary dealers.

12. PURCHASE OF INVESTMENTS
The Finance and Budget Committee is authorized by majority vote of the quorum of the Board of Trustees to contract for the purchase of investments directly, including through a repurchase agreement, from an authorized trading partner or by utilizing an ongoing investment program with an authorized trading partner pursuant to a contract authorized by the governing board.

13. REVIEW AND AMENDMENT OF INVESTMENT POLICY STATEMENT
The Finance and Budget Committee, with the assistance of the Library Director, shall review the Investment Policy Statement annually, based on the Library’s fiscal year of July 1 – June 30. The Mahopac Public Library Board of Trustees shall have the power to amend its Investment Policy Statement as needed in accordance with the provisions of General Municipal Law §39.

14. THE HENSCHEL FUND
The Henschel fund is a bequest made to Mahopac Public Library by Sylvia B. Henschel. The investment strategy for the Henschel Trust, approved by the Mahopac Library Board of Trustees, is as follows:

- $50,000 is invested in a fully insured money market account at a commercial bank, in order to maintain liquidity.
- The remaining funds are divided among five certificates of deposit (CDs): twelve (12) months, twenty-four (24) months, thirty-six (36) months, forty-eight (48) months, and sixty (60) months.
As a CD comes due, the Board will determine if the full amount of the CD, including interest, shall be reinvested. If funds are needed for a specific project, they may be withdrawn from the balance and the remainder re-invested.

iPads

Mahopac Public Library makes iPad content and technologies available to Library card holders in order to assist in their enjoyment of the Library’s collection of both printed and electronic materials. In order to insure fair and equitable access, the Board of Trustees of Mahopac Public Library has adopted the following policies and procedures.

iPads may be borrowed by Mahopac Central School District residents who are 18 years of age or older, with a Mahopac Public Library card in good standing. (A library card in good standing is defined as one with no fines, fees, lost or overdue materials.)

iPads are available on a walk-in, first-come, first-served basis. They may not be reserved.

iPads are limited to one per family.

In order to borrow an iPad, the patron’s Library card or photo ID must be presented at the Information Desk. At the time of check-out, the patron shall complete an iPad Loan Agreement.

iPads may be borrowed for two (2) weeks. They must be returned in person to the Information Desk at Mahopac Public Library. iPads may not be returned using the book drop. iPads may not be renewed. iPads are preloaded with apps selected by Library staff. The borrower may not add or delete anything from the iPads. At the time of return, patrons will receive a receipt acknowledging that the iPad has been returned. Before they are checked in, iPads will be examined by Library staff to ensure that they are in working condition and that they have not otherwise been tampered with. Depending on staff availability, this may take several days. No fines shall accrue during this waiting period.

Due to high demand, borrowers must wait 1 week after returning an iPad to check out an iPad again.

The Library reserves the right to deny the use of iPads to any borrower who repeatedly loses them, returns them late, or tampers with them.

Limited technical support is available from Library staff and only during the Library’s open hours. Borrowers shall attest that they have basic familiarity and comfort with the equipment they will be using.

The borrower assumes full responsibility for the cost of repair or replacement in the event the iPad, or any of the component parts, are lost, stolen, or damaged.

An overdue fee shall be charged daily up to the full replacement value of the item for an iPad that is not returned by its due date. [See the Fines and Fees section in the Library’s Use of Materials Policy for the current schedule of fees.]

Learning Lab

The Mahopac Public Library offers a variety of computer trainings and workshops in its Learning Lab (LL) to help its patrons acquire the knowledge and technical skills they need in order to use the variety of digital information and communication technologies for finding, evaluating, creating, and communicating information.

In order to provide guidance for the use of the Learning Lab, the Trustees of Mahopac Public Library have adopted the following Policy that defines the conditions and limits of use.

USE
All individuals and groups must abide by the Library’s Computer Resources policy.

The LL is used primarily for staff and patron training and instruction. All on-site Library sponsored trainings and workshops are available to the public at no cost.

Patrons may use the Library’s LL computers for these sessions, but they are invited to bring in their own mobile devices and laptops in order to learn how to operate them. On a case by case basis, the LL staff may allow patrons to bring in desktop computers in the event that the computers in the Library are unsuitable for answering the specific questions that the patron has [as a result of operating system differences, for example]. Due to the potential risk to the equipment of repeated movement, desktop units may only be brought in twice per patron.

Patrons who decide to bring in their own equipment agree to hold the Library harmless from any loss, damage, liability, costs and/or expense that may arise during or to be caused in any way by such use of the LL during or after these sessions.

Other groups and organizations may request to use the LL by submitting an Application for Meeting Arrangements to the Library Director. The group or organization must agree to the terms of the LL, the Computer Resources, and the Meeting Rooms policies in order to use the LL. Library sponsored programs will take precedence over all other programs. A member of the Library’s staff may be required to be present during such use and additional fees may apply. For questions regarding such fees, contact the Library Director. [See Meeting Rooms policy.]

GUIDELINES
The staff of the LL are not technology professionals. They will not assist with computer maintenance issues, nor are they able to recommend persons or companies to perform such operations.

For hands-on workshops and trainings, the maximum number of users that the LL can accommodate is 10 unless other prior arrangements are made with the instructor.

No food or beverages are permitted in the LL without permission from the Library Director.

Users will not leave library materials or personal belongings unattended in the LL.

All users are expected to abide by the Mahopac Public Library Code of Conduct and its emergency procedures. Users must vacate the LL in the event of a fire alarm or other emergency.

Computers will be turned off 15 minutes prior to Library closing times.
PROCEDURES FOR LIBRARY SPONSORED WORKSHOPS AND TRAININGS

Instructor-led trainings teach specific computer skills or applications to groups. Registration is required. Class sizes are limited to 10 participants. Every effort will be made to notify wait-listed students if a registered student cancellation is received. Class reservations will be held for 15 minutes. No one will be admitted to a class after this 15 minute period. Walk-ins may be permitted at the instructor’s discretion.

Technology Drop-in Help are sessions that allow users to stop in at the LL without a reservation in order to receive assistance with computer and mobile device issues. Students from grades 3 and up are welcome to attend Technology Drop-In Help, however students in grades 3-7 must be accompanied by a parent or guardian.

LIABILITIES

The Library allows the use of its facilities with the understanding that the Library accepts no responsibility for the personal safety of any person, either inside or outside the building, during that use. The Library is not responsible for damage, loss, or theft of personal property.

All users agree to hold the Library harmless from any losses, damages, liabilities, costs and/or expenses that may arise during or to be caused in any way by such use of the Library facilities.

All groups agree to compensate the Library for any damages to the LL or other property of the Library caused by, or resulting from, the use of the LL.

Manual Cash Handling Policy

I. Policy Statement:

This policy defines the responsibilities for any Mahopac Public Library (MPL) employee who handles currency, cash equivalents, charge card transactions, or checks (“Cash”). Personnel that receive, handle, transport or deposit cash must follow documented procedures to prevent financial loss, prevent and detect errors, and promote security and accurate financial reporting. Appropriate internal controls include the segregation of duties, safekeeping of cash, prompt deposit of all cash receipts, accurate reconciliation of collections, and appropriate record keeping.

II. Procedures

Cash Handling Procedures:

Procedures for the handling of cash receipts are designed to provide accountability for monies received. All MPL employees are responsible for complying with the policies and procedures described herein. Non-compliance with these policies and procedures may lead to disciplinary action.

Use of MPL funds or receipts for cashing checks is prohibited. Retention of cash from outside sources for use as petty cash or making change is prohibited. Staff members cannot accept checks or credit card payments for over the amount due unless the patron intends the excess funds to be a donation to the library.

Cash should never be left unattended, for any period of time.

When a MPL employee receives cash, it is to be deposited immediately into the point of sale system under the correct Accounting Category Key. All cash receipts are then identified by category with a detailed report from the Square Dashboard.

Cash payments of larger than a $20 bill are only accepted if a small amount of change is required.

If a patron wishes to pay using a credit card, the charge will be processed through the secure charge card reader. No copies of the patron’s account number, expiration date, or CVV security code will be kept.

Patrons may receive a receipt, either printed or emailed, for every charge card transaction. The receipt shows the date of the transaction and the amount charged to the patron’s charge card. Patrons also have the option to not receive a receipt.

MPL does not accept credit card charges by mail, email, fax or telephone.

MPL will accept personal or corporate checks for daily business transactions. Checks will be endorsed by a staff member with the Library’s “for deposit only” stamp when they are received.

The amount of $35.00 will be charged to a patron whose check is returned due to insufficient funds. This amount should be included in all billings and a sign should be posted at the front desk.

Previously paid for lost items that have been found are refundable if the item and receipt are returned, the item is in good condition as determined by Library staff, and the item is returned within six (6) months after the bill was paid. If the receipt has not been returned and there is a record of the payment
in the Sierra system, reimbursement will be given. The payment must have been made at Mahopac Public Library. The refund is made with a check issued by the Library. Refund checks are issued after payment is approved by the Board of Trustees at one of their regularly scheduled meetings, therefore, it may take up to one month before a refund check is mailed. Refunds are not given from the Library’s cash collection.

Checks received from other libraries, either as payment for lost items or fines paid, will be entered in the point of sale system and placed in the drop safe to be counted with that day’s cash drawer.

Cash will be kept on hand for making change at the Circulation Desk if necessary. The circulation change fund denominations are specified in the internal version of this policy.

The amount of change funds on hand should remain the same at all times; therefore the change funds do not require replenishment.

When necessary, the staff member designated to do the banking will make change to return the denominations to those as specified above.

**Point of Sale System Operation**

Only Library employees with appropriate training are authorized to use the point of sale system. Each staff member using the point of sale system has a unique 4-digit code which must be entered before the point of sale system is operated.

Library employees will enter their personal code prior to entering any transaction into the point of sale system. The list of employee codes is kept and updated by the Head of Readers’ Services, with a copy given to the Library Director.

The point of sale system keys will never be left in the machine unattended. When not in immediate use the key will be stored in a secure location.

**Point of Sale System Correction Log**

All cash register mis-rings and errors will be recorded on an error form (see page 8), including the date, time, person responsible, and the error made. The receipt for each occurrence will be placed with the error form. If there were any errors recorded, circulation staff will put the error form(s) in the cash pouch for that day.

Staff will enter their personal code for all NO SALE openings of the cash drawer.

**Safeguarding Funds:**

All funds collected during open operations are stored in a locked cash drawer. Only designated personnel will have access to these funds during the hours the library is open. Every morning, a circulation staff member will count the float funds from the cash drawer and place the remaining cash, checks, and receipts in the cash bag for the day before. A second staff member will recount the float funds to ensure they are correct. The cash is placed in the drop safe in a secure location. Access to library safes is limited to specific personnel.

Cash designated as float funds is used to begin each day in the cash drawer. The float fund denominations are specified in the internal version of this policy.
The amount of float funds on hand should remain the same at all times; therefore the float funds do not require replenishment. Change to keep the float as specific denominations will be made from the change funds.

**Public Photocopier and Envisionware Print/Fax System Procedures**
The public photocopiers, Envisionware print release stations, and the document station printer all have coin/bill accepter units attached to them.

Twice a week, a designated employee will open the back of each vending unit. Any bills and overflow coins are taken out of each vending unit, counted and the amount entered into the point of sale system under the appropriate key. The cash is placed in a designated cash bag which is then placed in the drop safe to be counted with the corresponding day’s funds.

**Patron Fine Waivers**
MPL materials are checked out for a specific period of time. When patrons keep materials past the due date, a daily fine is charged. Fines accrue on overdue items up to a pre-set maximum dollar amount that varies by material type. Charges may also be assessed to a patron account for lost or damaged items. The Library’s policy is that fines and fees are not waived unless the charges are the result of an error, or if there are extenuating circumstances. All fines that are to be removed from a patron account must be done in Sierra as a WAIVE function. The staff member performing the waive should put their initials in the record.

**Staff Fine Waivers**
The waiving of fines for MPL employees does not include lost or damaged items. Lost or damaged items are the responsibility of the employee.

All fines that are to be removed from a staff member’s account must be done in Sierra as a WAIVE function. The staff member performing the waive must put their initials in the record. The waiving of staff fines is a benefit for the employee and does not include fine forgiveness for family members, friends or acquaintances.

There is no yearly maximum of fines to be waived for employees, but any use of this benefit deemed excessive will be reviewed by the Library Director and discussed with the employee.

**Reconciliation of Point of Sale System Money**
Each weekday morning, a designated staff member will retrieve the pouch(es) from the locked drop safe where they were placed for security purposes. Each day there will be a minimum of one pouch to be reconciled, with either two or three on Monday mornings depending on the time of year and what days the library is open on the weekend. Twice a week a designated employee will empty the cash boxes on the printers and copiers/fax. The cash will be counted and the amounts entered into the point of sale system under the appropriate key code. The cash will be secured in the drop safe to be counted in the next day’s cash drawer tally.

Several times a week, money collected in the Book Barn will be brought to the Circulation Desk by a Book Barn volunteer. The amount Friends’ money brought up from the Book Barn is entered into the point of sale system under the appropriate key code by a staff member. The money, both cash and checks, is then secured in the drop safe by an MPL staff member to be counted in the next day’s cash
drawer tally. The Friends’ money is secured in a designated cash bag in the Director’s safe until it is to be deposited in the Friend’s bank account each week.

Cash bags should contain the cash from the drawer (bills and coins), checks, and credit card slips.

Follow the instructions for filing out the Daily Cash Drawer Tally sheet [see the COMPLETING THE DAILY CASH DRAWER TALLY SHEET procedure]. Before completing the Daily Cash Drawer Tally sheet, run a Transaction Report, a Sales Summary Report, and an Item Detail Report for each day’s pouch to be counted [see RUNNING REPORTS FROM THE SQUARE DASHBOARD procedure].

Once the cash bags have been counted and reconciled, a Fines Paid report should be run through Sierra and compared to the amount of fines noted on the Item Detail report run through the Square Dashboard [see RUNNING FINES PAID REPORT THROUGH SIERRA procedure].

**Deposits**

Deposits are made twice a week. A designated employee will retrieve the cash bags from the safe in a secure location. Each cash bag will contain the cash, checks, daily cash drawer tally sheet and point of sale entry error slips (if any). The designated employee will recount the money and checks to ensure accuracy. Copies will be made of the checks to be deposited for each Daily Cash Drawer Tally sheet and the copies attached to the corresponding sheet. Once the deposit has been made, the deposit slip is paper clipped to all of the matching tally sheets and given to the Library Director. Deposit slips will be attached directly to copies of checks that must be deposited separately for recordkeeping reasons.

Before deposits are sent to the Library’s bookkeeper (biweekly), a designated employee will run an Item Summary report from the Square dashboard for each deposit period and fill out a Cash Tally Coding form to be attached to the corresponding deposit packet for the bookkeeper [see COMPLETING THE CASH TALLY CODING FORM procedure].

Coding will be noted directly on the copy of each check that has been deposited separately for recordkeeping purposes. The coding of these checks will not be included on the Cash Tally Coding form.

Friends’ funds are deposited weekly. A designated employee will verify that the amount of cash and checks noted on the Friends’ slips match the cash and checks to be deposited. Checks will be copied and, after the deposit is made, the deposit slip and check copies are given to the Library Director to be filed in the Friends’ file in the Administrative offices.

Friends’ payments made by credit card are reimbursed monthly. At the beginning of each month, a designated employee will run reports from the Square dashboard for the previous month to determine the amount to be reimbursed to the Friends [see RUNNING MONTHLY FRIENDS’ CHARGE REPORTS FROM THE SQUARE DASHBOARD procedure]. A check will then be issued by the Library’s bookkeeper in that amount and will be deposited in the Friends’ account.

At the beginning of each month, a designated employee will run a report from the Square dashboard of all the credit card charges made to the Library for the previous month [see RUNNING MONTHLY MAHOPAC PUBLIC LIBRARY CHARGE REPORTS FROM THE SQUARE DASHBOARD procedure]. This report is to be reconciled against the bank statement.
**Petty Cash**
Petty cash funds are for employee reimbursement of purchases of materials, supplies and services under conditions requiring immediate payment, in cash, in amounts of $25.00 or less. Original receipts must be submitted for reimbursement. The Library does not pay sales tax on purchases. Employees should supply a vendor with the Library’s tax exempt certificate before each purchase to avoid being charged sales tax. Employees will not be reimbursed for sales tax payments.

Replenishment of petty cash fund is requested when fund balance is less than $5.00. The Library’s bookkeeper issues a replenishment check when MPL submits an itemized voucher including original purchase and reimbursement receipts. The Mahopac Public Library Board of Trustees has determined that the total MPL petty cash fund is $200.00.

Petty cash is secured in a locked safe in a secure location.

**Donations:**
Gifts and memorials (check or cash) received by a department should be forwarded to the Library Director with the corresponding library donation form. The Library Director acknowledges receipt of gift through a letter to the donor. A designated staff member deposits gifts into the Library’s bank account. Gifts are reported to the Board of Trustees at the next regularly scheduled meeting.

Gifts of materials are handled according to the Library’s Gifts Policy.

**Record Keeping:**
All records are kept in accordance with New York State Record Retention and Disposal Schedule MU-1, for the length of time and in the format required.

**Refunds for Fax or Print Issues**
In the event of equipment malfunction, refunds for faxes or prints will be given. A note is to be left informing the staff member designated to do the banking so the amounts can be balanced. The money should not be taken from the point of sale system.

**Meeting Rooms**

**PURPOSE**
Mahopac Public Library contains several rooms that will be made available to non-library groups and individuals on an as-requested and as-available basis. These rooms are available for educational, recreational, business, and civic purposes, provided that such use does not interfere with regular Library services or programs or place an undue burden on Library staff and resources.

The Library maintains a limited open forum and, therefore, it has the right to reasonably regulate the time, place, and manner of expressive activities in its facility including the Café and Study rooms.

In order to provide guidance for the use of these meeting rooms for non-library functions, the Trustees of the Mahopac Public Library have adopted this Policy that provides for application procedures, responsible party identification, usage fees, and limits on use.

Please note that the use of study rooms during Library hours shall be governed by the [Study Rooms Policy](#). This policy shall be made part of any application.

**Failure to comply with any part of this policy may result in future denial of meeting room use.**

**USE**
Use of the meeting rooms does not imply endorsement, support, or co-sponsorship by the Library for the activities that take place in the meeting rooms nor the beliefs or views of the groups sponsoring the events.

The Library is a 501(c)(3) charitable organization and, therefore, its facilities and/or equipment shall not be used for any conduct which would violate the requirements of a 501(c)(3) charitable organization. No groups or individuals may use the Library’s facilities or equipment to campaign for candidates for political office or for any activities that may reasonably be viewed as endorsing, advocating for, supporting or opposing a particular candidate or elected official. This restriction, however, will not apply to groups or individuals sponsoring political debates.

Rooms may be booked a minimum of 24 hours or up to a year in advance. For-profit groups may reserve a meeting room for up to three (3) consecutive meetings and no more than six (6) meetings per year. Ad hoc requests will be accommodated subject to room availability and at the discretion of the library Director.

Public meeting rooms may only be used upon written application, payment of applicable fees, and approval by the Library Director (or designated staff member). The Learning Lab and the Local History Room require staff monitoring. Additional fees may apply.

In the case of the Study Rooms 1 and 2, reservations may be made up to 24 hours in advance. These rooms may be used by same-age, small study groups and non-profit and local business groups on an as-available basis for educational, recreational, business, and civic purposes. Children accompanied by unrelated adults may not use these rooms. [See Mahopac Public Library Policy on Study Rooms.]
Individuals may use the Study Rooms on a first-come, first served basis when not reserved (see Mahopac Public Library Policy on Study Rooms). Study Rooms may be reserved by an individual, up to 24 hours in advance, if they are attending a meeting/conference via digital technology including, but not limited to, cell phone, Skype, FaceTime, Gchat, or if they are taking an online or proctored exam.

No groups may charge or solicit an admission-type fee for any event or program held in the meeting rooms. Sale or marketing of goods or services by individuals or groups is prohibited.

The number of attendees shall be limited to the posted maximum occupancy.

Activities for children under the age of eighteen (18) must be supervised by responsible adults.

GUIDELINES
Priority for meeting room use shall be given for use by the Library for Library-sponsored programs, by local government, by residents or community groups, and by other groups and individuals. The meeting rooms may not be used for birthday parties, anniversary parties, showers, weddings, funerals, reunions, fundraisers, dances, mixers, or similar social events.

Second floor meeting rooms (Land Use Center, Learning Lab, and Study Rooms) are available for community use only during the posted hours of operation of the Library. Please note that the Land Use Center contains materials that may need to be accessed by Library staff during the reserved timeslot. All efforts will be made to be as unobtrusive as possible.

Third floor meeting rooms (Community Room, Third Floor Meeting Room, and the Conference Room) will be available during the posted hours of operation of the Library.

All programs must be scheduled to end at least 15 minutes prior to Library closing times. However, the Library reserves the right to require programs to end earlier. The rooms must be returned to their original condition and vacated by the posted Library closing time. Rooms may be made available before and/or after regular Library hours at the discretion of the Library Director. In the case of such before and/or after usage, an additional fee will be charged, in the amount of $50/hour, to any group (profit or non-profit) to cover the cost of staff in the building outside of regular Library hours.

No custodial services are provided in connection with the use of the rooms. The Library staff provides no furniture moving or hospitality services. The group making the application shall be responsible for topical cleaning of the room immediately after use and for the disposal and removal of all trash. All furniture is expected to be returned to its original configuration at the end of the function.

No food or beverages shall be allowed in the Land Use Center or Learning Lab.

Wine and/or champagne may be permitted in the Library with the approval of the Library Director and in accordance with the Library’s Policy on Alcohol Use [See Mahopac Public Library Policy on Alcohol Use.]

Smoking is prohibited in the Library and on all property under the control of Mahopac Public Library at all times, including, but not limited to: buildings, grounds, entrances, sidewalks, and parking lots. Smoking is defined as the use of cigarettes, pipes, cigars and other devices that produce smoke, including electronic cigarettes and water pipes. [See Mahopac Public Library Policy on Smoking.]
All members of the group are expected to abide by the Mahopac Public Library Code of Conduct and its emergency procedures. Users must vacate these rooms in the event of a fire alarm or other emergency.

**EQUIPMENT**
The Library is not responsible for providing any special equipment for a group’s use. Groups are welcome to bring their own audio-visual equipment. If a group wishes to use Library-owned audio-visual equipment, it must make arrangements at least one week in advance.

**RESERVATIONS AND CANCELLATIONS**
Applications for use of the meeting rooms shall be reviewed by the Library Director (or designated staff member). Availability of rooms, the [Application for Meeting Arrangements](#), and the [Hold Harmless Agreement](#) are available on the Library’s website under “Room Reservations”.

The individual who signs the application must be at least 21 years of age and be in attendance when the meeting room is in use. S/he shall be responsible for the conduct of the group, payment of bills, and for protection of Library property in connection with the meeting. The Library shall be promptly reimbursed by the signing party for any expense or damage resulting from the use of the facility.

Twenty-Four (24) hour advanced notification is required for any cancellation in order to avoid the usage fee charge.

The Library reserves the right to cancel any reservation (with notice) if a Library event/program needs the room. The Library reserves the right to cancel prior meeting room reservations without notice in the event of emergency, such as snow closings or unsafe building conditions. In the case of an unscheduled Library closing, a group may reschedule another meeting time or obtain a full refund of any fees paid in conjunction with the reservation.

**FEES**
The current Schedule of Fees can be found on the [Application for Meeting Arrangements](#). Fees for room use are expected to be paid 48 hours prior to confirmation.

If food and/or beverages are served and cleanup is incomplete, or if craft materials’ wastes are not disposed of fully, then a custodial fee will be charged at a rate of $15 per meeting.

**LIABILITIES**
The Library allows the use of its facilities with the understanding that the Library accepts no responsibility for the personal safety of any person, either inside or outside the building, during that use. The Library is not responsible for damage, loss, or theft of personal property.

All users agree to hold the Library harmless from any loss, damage, liability, costs and/or expense that may arise during or to be caused in any way by such use of the Library facilities.
All groups agree to compensate the Library for any damages to the meeting room(s) or other property of the Library caused by, or resulting from, the use of the meeting room.

All groups must submit a Certificate of Liability Insurance form from an insurance company acceptable to Mahopac Public Library showing minimum limit of $1,000,000, which includes Mahopac Public Library as an additional insured, and providing contractual liability for the hold harmless agreement, which is acknowledged in this policy. The certificate will be provided to Mahopac Public library prior to the first use of the premises.

Should the Mahopac Public Library waive the insurance requirement, it is agreed that this will not waive the hold harmless agreement. (See attached Hold Harmless Agreement)

PUBLICITY
For non-Library related programs, all advertising and publicity material to be posted in the Library must be submitted to the Library Director for approval two weeks prior to distribution and/or publication.

Groups or individuals using the meeting rooms may not imply that the event is sponsored, co-sponsored, or endorsed by the Library in any such advertising or publicity material and must include a disclaimer to this effect.

Groups using the meeting rooms may not instruct the public or their invitees to contact the Library for information regarding these events.

PARKING
Parking spaces in the Library lot are reserved for Library patrons. If the number of expected meeting attendees is 20 or more, alternative parking options must be used. Failure to comply with this policy may result in future denial of meeting room use.

Museum Passes

Mahopac Public Library offers a variety of free museum passes with support from the Friends of Mahopac Library. In order to insure fair and equitable access to these passes, the Library has established the following guidelines.

Museum passes may be borrowed by Mahopac Central School District residents who are 18 years of age or older, with a Mahopac Public Library library card in good standing. (A library card in good standing is defined as one with no fines, fees, or overdue materials.)

Museum passes are available on a walk-in, first-come, first-served basis. They cannot be reserved. Only one museum pass may be borrowed at a time by a household.

In order to borrow a museum pass, the museum circulation card and the patron’s library card must be presented at the Circulation Desk. The museum circulation card will be checked out to the patron who will be given the laminated museum pass. In addition, a refundable deposit may be required. Disposable, non-reusable, and non-returnable vouchers, such as the American Museum of Natural History vouchers, are limited to two (2) vouchers per family per year and do not require a deposit.

Museum passes may be borrowed for four (4) days. They must be returned in person to the Circulation Desk before closing on the due date. Do not return museum passes in the book drop. Museum passes may not be renewed and patrons must return one pass before borrowing another.

An overdue fee of ten dollars ($10.00) per day will be charged for each museum pass that is not returned by its due date.

Borrowers who lose museum passes will be required to pay the full replacement costs designated by the museum.

The Library reserves the right to deny the use of museum passes to any borrower who repeatedly loses them or returns them late.

Information about each museum is available in the Museum Pass binder located at the Information Desk. Each museum reserves the right to determine the rules and regulations governing the use of the museum pass. Patrons are responsible for contacting the museum directly for information on hours of operation, special exhibits, additional fees, parking, and/or directions. The Library assumes no responsibility of any kind arising from the terms of a particular museum pass.

Opioid Overdose Prevention Program

To combat the continuing rise in opioid related deaths in New York State and potentially save a life, the Mahopac Library has instituted an Opioid Overdose Prevention Program. This document sets forth the required policies and procedures necessary to provide and maintain intranasal (IN) naloxone on-site to ensure ready and appropriate access for use during emergencies to any patron or staff member suspected of having an opioid overdose. The Mahopac Library will partner with Arms Acres, a New York State Department of Health (NYSDOH) Registered Opioid Overdose Prevention Program, and will adhere to all requirements stipulated by the partner organization in addition to the procedures listed in the separate document. The Library Director is authorized to proceed with instituting a board-sanctioned Opioid Overdose Prevention Program.

New York State Legal Framework

To combat the continuing rise in opioid related deaths in New York State, laws allow New York State’s Public Libraries to participate in opioid overdose prevention programs by partnering with a NYSDOH Registered Opioid Overdose Prevention Program operated by another organization. Public Libraries, as well as any trustees and/or employees who volunteer to be trained and trained volunteer workers, including but not limited to volunteers associated with the Friends of the Mahopac Public Library, who choose to participate and acting reasonably and in good faith, shall not be subject to criminal, civil or administrative liability solely by administering naloxone and may maintain IN naloxone on-site in adequate supplies.

Applicable New York State Laws

- Education Law §922 & Commissioner’s Regulations §136.8: permits schools districts, boards of education, charter schools, non-public schools, and public libraries to participate in opioid overdose prevention programs.

- Public Health Law §3309 and its implementing regulation (10NYCR §80.138): establishes opioid overdose prevention programs which allow trained individuals to administer naloxone. Under this law and regulations, administration of naloxone shall be considered first aid or emergency treatment for purposes of any statute relating to liability.

Patron Complaint

While the Mahopac Public Library tries to provide the highest levels of satisfaction and service to its patrons, we recognize that occasionally a patron may wish to make a complaint.

A Library patron may choose to start by making his or her complaint on an informal, oral basis to the Library’s staff. If the patron chooses not to do so, or if the complaint does not lend itself to informal resolution, the patron should request and complete a Patron Complaint Form. The Library Director will promptly review the completed Complaint Form and, where appropriate, attempt to resolve the complaint directly.

If the patron is not satisfied with the response provided, and/or if the Director decides that the situation warrants the input of the Board of Trustees, either or both parties may bring the written complaint to the attention of the Board. A patron desiring to do so may also request an opportunity to address the Board at one of its monthly meetings.

The Board will promptly review a complaint presented to it, provide an oral and/or a written response to the complainant, and take any further remedial action warranted by the particular circumstances.

The decision of the Board of Trustees with respect to a complaint will be final.

Patron Privacy Policy

The Mahopac Public Library (MPL) is committed to user confidentiality. The confidentiality of library records is a core part of library ethics and the Mahopac Public Library follows the Code of Ethics of the American Library Association.

Confidentiality and Your Library Record
Under New York Civil Practice Law and Rules § 4509, “Library records, which contain names or other personally identifying details regarding the users of public, free association, school, college and university libraries and library systems of this state……shall be confidential and shall not be disclosed except that such records may be disclosed to the extent necessary for the proper operation of such library and shall be disclosed upon request or consent of the user or pursuant to subpoena, court order or where otherwise required by statute.”

Confidentiality extends to, but is not limited to, records related to the circulation of library materials, computer database searches, interlibrary loan transactions, reference queries, requests for photocopies of library materials, title reserve requests, or the use of audio-visual materials, films or records.

Circulation, registration information, and information retrieval records may not be disclosed except to:

- The cardholder (with card or other proper id). NOTE: Under New York State Law, if you are signing for a card for someone under the age of 18, the library is, under the above law, prohibited from revealing that minor’s borrowed materials to you absent the minor’s request or consent. The Library requests, but does not require, that minors over the age of 12 sign forms authorizing disclosure of information to the minor’s designated parents or guardian.

- Staff of the Mid-Hudson Library System acting within the scope of their duties in the administration of the library system and in facilitating interlibrary loans.

- Persons authorized by the cardholder to access the individual’s records identified by a waiver signed by the cardholder or, for cardholders aged eleven (11) and under, the parent/guardian listed as the co-holder of the library card.

- Representatives of any local, state, or federal government, pursuant to subpoena or search warrant authorized under the authority of federal, state, or local law relating to civil, criminal, or investigative power. Upon receipt of any such subpoena or search warrant, the Library Director will consult with legal counsel to determine if the subpoena or search warrant is in proper form and if there is a valid basis for its issuance before providing confidential information. NOTE: The USA PATRIOT ACT still requires a subpoena for access to your records.

The information in your patron record is the property of the library listed as your home library. Mahopac Public Library occasionally conducts promotional campaigns to inform the community of our services. At those times, MPL may use patron email or postal addresses for the library's internal mailing lists.
The Library does not sell, lease, or otherwise distribute or disclose patron name, email address, postal address, telephone number, or other personal information to outside parties.

As soon as you return an item within the due date, the link to that item is deleted from your patron record. However, the software retains the item’s record, the name of the last person to borrow it, and the name of the current borrower of the item. Additionally, if you owe a fine or have an outstanding bill, that item will remain on your record until removed by the Mid-Hudson Library System staff.

If you elect to use the Reading History option, the system will remember all items that you have checked out even after you have returned them. This information is protected under the privacy laws and can only be accessed by you or by the library if presented with a subpoena. You can delete items from your reading history at any time. For patrons who do not choose the Reading History option, no history of checked out items is kept.

If you wish to be notified of item availability or fine notices by email, be aware that the email message will include the title(s) of the item(s).

or identity. This information is to help MPL determine what type of information is important to you, our visitors, as well as how to properly structure the site’s contents so that things are easier to find.

**Forms and email**
Personally identifying information that you provide by emails and web forms will be used only for such purposes as are described at the point of collection (for example on a web form), such as to send information, or to respond to your questions or comments. If you provide contact information, MPL staff or its contractors may contact you to clarify your comment or question, or to learn about your level of customer satisfaction with our services.

Any information you choose to provide on the website will only be used to provide or improve services. MPL guards your privacy and appreciates your trust.

Patron Privacy Policy FAQ’s

Q: Can my spouse/friend/neighbor/family member pick up my reserve materials for me?
A: Yes, if you have given them permission to use your card with a waiver signed by you.

Q: Can you tell me what items are out or overdue on the card of my child?
A: For cardholders aged eleven (11) and under, the parent/guardian listed on the application form and in the patron record is considered to be the co-holder of the library card and, as such, has access to all of the information regarding the card, including but not limited to, the items checked out and items placed on hold.

For cardholders aged twelve (12) and over, the parent/guardian listed on the application form and in the patron record is financially responsible for the items on the minor’s card. However, in order to have access to the titles of items on the account or to pick up items on hold for the cardholder, the library must have a waiver on file, signed by the cardholder, authorizing the disclosure of this information to the parent/guardian listed on library card account.

Q: If I forget my library card, can I still pick up my reserved book?
A: Yes, if you bring in some other form of identification. Acceptable forms of ID are:
  • a valid New York State driver's license or identification card issued by the New York Motor Vehicle Division with current residential address; or,
  • a valid temporary driver's license with current residential address or,
  • a valid passport
  • a school ID with photo

Q: Last week I requested three books for my son. We used his card, I think, but I stopped by today and all I have is my card. Can I pick up his books?
A: If the cardholder is eleven (11) or younger and you are listed as the co-holder of the card, you can pick up the items. If the cardholder is twelve (12) or older, we must have a signed waiver on file giving you permission to pick up the items.

Q: The email address in my library card record is not right, but I can't remember what our email address is. Could you check my husband's card and tell me what it is?
A: We are sorry, but the information in his patron record is confidential unless we have a waiver on file giving you permission to access this information.

Q: How does the Patriot Act affect my privacy?
A: Representatives of any local, state, or federal government, with a valid subpoena or search warrant, may obtain your records. Under the Patriot Act, library workers are prohibited from informing you, or any other entity, that federal agents have obtained records about you in accordance with the statute.
Q: If I email the library with a reference question will it be kept confidential?
A: Yes, reference requests are protected by New York Civil Practice Law and Rules § 4509.

Q: If I email the library will you give my address to outside parties?
A: No, all personal information is for internal use only. We may use your email address for notices and library promotions.

Q: How does the library contact me with information about my account?
A: The library will notify you of holds by phone or email, depending on which you have chosen. You will be notified of overdue materials in one of three ways: by phone, by email, or by mail.

3. Payments may be made from petty cash for materials, supplies or services, requiring immediate cash payment, but shall not be used for frequently purchased items.

Purchasing

1. **PURPOSE**
   In order to comply with New York State General Municipal Law governing the purchase or lease of products and services and to provide a system for their competitive procurement in accordance with generally accepted auditing standards, the Board of Trustees of Mahopac Public Library has adopted the following policies and procedures.

2. **PROTOCOLS**
   Unless otherwise provided for in this policy, the Library Director, or designee, shall have the authority to purchase or lease products or services provided that the amount budgeted for any expense line of the annual budget shall not be exceeded. Purchases above an established dollar amount threshold or purchases for which there are not sufficient budgetary appropriations shall require prior approval by either the Board President or the Finance Committee and shall be reported to the Board of Trustees. The Board of Trustees, by formal resolution, shall authorize the funds for these purchases through an appropriate transfer of funds between budget line items, from the capital reserve fund to the operating budget, or through a bank loan, or through a bond issue.

   Further, with the few exceptions described below and those purchases that require immediate action in order to secure the safety of the staff and public, all purchases require advanced planning and the proper preparation of a purchase order.

   The Library shall act to procure products and services at the lowest possible cost, consistent with its needs and with regard to durability, performance, quantity, delivery, and service.

   The Library Director, or designee, shall have the authority to pay all claims made for purchases and shall provide a written report of such activity to the Board of Trustees on a monthly basis.

3. **BIDDING PROCEDURES**
   With the understanding that purchases of library materials are often available through statewide or national discount programs for libraries, the Board of Trustees establishes the following policy related to bids.

   **Library Materials:** Books, magazines, audiovisual materials, online databases, and other such materials intended for patron use are generally purchased from vendors offering volume discounts or vendors offering a state contract. Materials available only from the publisher are generally purchased with little or no discount.

   Purchases of library materials generally are not subject to competitive bidding regulations.

   **Other Purchases:** The following schedule is for purchases involving the acquisition of materials, supplies, or equipment for which there are stated prices and sufficient budget appropriations. Catalogs or price lists may be substituted for verbal, telephone, or written quotes. If the item is
offered under state contract and the price is equal to or less than the state contract price, then no quotes are required.

- **No Quotations:** Materials and services where the aggregate amount involved in any one transaction does not exceed $2,500. The Library Director may approve these purchases without securing competitive quotations and bids if the price quote is considered to be reasonable and terms and delivery dates meet the needs of the Library.

- **Telephone Quotations:** Materials and services that range in price from $2,501 to $5,000 require verbal competitive bidding. The bids may be obtained through telephone quotations. A minimum of three (3) documented quotes must be attached to the purchase order.

- **Written Quotations:** Materials and services that range in price from $5,001 to $20,000, and contracts for public works that are less than or equal to $35,000, require written competitive bidding. A minimum of three (3) written quotes on business stationery must be attached to the purchase order.

**Formal Bid Process:** All contracts for public works (for example, construction) in excess of $35,000 and purchase contracts (for example, equipment) in excess of $20,000 must be awarded, after advertising for sealed bids, to the lowest responsible bidder who furnishes the required security.

4. **EXCEPTIONS TO THE COMPETITIVE BID PROCESS**

*Emergency:* emergencies arising from an accident or other unforeseen occurrence, or situations in which public buildings, property, or occupants are at risk, or situations which require immediate action that cannot await competitive bidding.

*Sole source:* goods or services for which there is no substantial equivalent or which are provided by only one source.

*Professional services:* services which involve specialized expertise or knowledge such as architects, engineers, land surveyors, attorneys, insurance brokers.

*Government contracts:* state contracts which are regulated by the Office of General Services.

*“Piggybacking”:* may purchase goods or contract for services through a political sub-division (for example, the county) if available from, and permitted by, that political sub-division.

5. **METHOD OF DETERMINING WHETHER PROCUREMENT IS SUBJECT TO COMPETITIVE BIDDING**

The Library will determine if the proposed procurement is a purchase contract or a contract for public work. If the procurement is either a purchase contract or a contract for public work, then the Library will determine whether the amount of the annual procurement is above the applicable monetary threshold as set forth above.
The Library also will determine whether any applicable exceptions to the competitive bidding requirements exist.

6. **CONTRACT COMBINING PROFESSIONAL SERVICES AND PURCHASE**
   In the event that a contract combines the provision of professional services and a purchase, the Library, in determining the appropriate monetary threshold criteria to apply to the contract, will determine whether the professional service or the purchase is the predominant part of the transaction.

7. **PROCUREMENT PROCEDURES**
   All purchases shall be accompanied by a purchase order except standing orders, contracted services (contract), and travel reimbursement (Mid-Hudson Library System travel reimbursement form).

   Purchases outside ordinary operation and maintenance shall require the approval of the Library Director or designee.

   Packing slips, receipts, or other tangible documentation shall verify receipt of all purchased items. Such verification shall be attached to the appropriate purchase order and invoice.

   All invoices and pre-payments shall be approved by the Library Director or designee. Approved invoices and pre-payments are forwarded to the bookkeeping service. Payments are made biweekly except where the due date would result in penalty.

Policy Adopted: December 15, 2010
Revised: February 16, 2011; September 27, 2017
1. **CONFIDENTIALITY OF LIBRARY RECORDS**

The Library protects the privacy and confidentiality of its patrons and staff as required by state and federal law. Confidential library records, whether those records are in print, film, magnetic tape, electronic, or some other format still to be developed, shall not be released or made available to a federal agent, law enforcement officer, or other person unless a court order in proper form has been entered by a court of competent jurisdiction after a showing of good cause by the law enforcement agency or person seeking the records. (See New York State Civil Practice Law and Rules, Section 4509, Confidentiality of Library Records Law.) The Library Director and the Library's legal counsel are responsible for handling law enforcement requests.

2. **PROCEDURES FOR HANDLING REQUESTS FOR LIBRARY RECORDS**

If a law enforcement officer requests library records or information about a library user or staff member, staff will:

- Ask for the officer's identification and record the information.
- Inform the officer that the Library Director is the individual authorized to respond to requests for records and information, and that library policy requires them to refer the officer to the Library Director.
- Refer the officer to the Library Director.

If a law enforcement officer requests library records or information about a library user or staff member and the Library Director is not available, staff will:

- Ask for the officer’s identification and record the information.
- Inform the officer that the Library Director is the individual authorized to respond to requests for records and information, and that library policy requires them to refer the officer to the Library Director, who is currently unavailable.
- Refer the officer to the Assistant Library Director or, in their absence, the Person in Charge (PIC) who will attempt to reach the Library Director or the library’s legal counsel.

If the Library Director or a designated alternate cannot be reached, utilize the procedures outlined below. A written report describing the officer’s inquiry should be provided to the Library Director at the earliest opportunity.

**Responsibilities of the Library Director or a designated alternate:**

In all cases:

- Ask for the officer's identification and record the information.
• If possible, ask a colleague to be present during the interview with the officer and to take notes in case a record of the encounter is needed in the future.

Requests for voluntary assistance or warrantless searches (the officer does not present a subpoena or court order):

• Explain the library's privacy policy, informing the officer that library records and information about library users and library staff are not made available to law enforcement agencies unless a proper court order in good form has been presented to the library.

• If the officer persists, provide the officer with the contact information for the library's legal counsel and ask the officer to speak to the library's attorney and inform the officer of his right to request records under the Freedom of Information Law.

Without a court order, neither the FBI nor local law enforcement has the authority to compel cooperation with an investigation or require answers to questions, other than the name and address of the person speaking to the agent or officer.

If the officer claims that an emergency or other circumstance requires the library to turn over records or provide information without a court order, call the library's legal counsel and ask for assistance.

If the officer employs force to take possession of library records or other library property, do not obstruct the search in any way. Keep a written record describing the incident.

Provide all notes and records to the library's legal counsel. If library staff is required to respond to a voluntary request or a warrantless search in the absence of the Library Director or a designated alternate, all materials should be turned over to the Library Director.

After a federal agent or law officer has presented proper identification, he or she must be referred to the Library Director. Only the Library Director is authorized to accept the court order. Upon presentation of the court order, the Library Director will contact the Library’s legal counsel for review. (If the Library Director is not available, then the Assistant Library Director and/or one of the Department Heads will contact the Library’s legal counsel.)

2.1 SUBPOENAS

A subpoena does not require immediate response from the Library. The Library Director will inform the officer that the Library will respond within the time allotted and in conformity with the law. The subpoena will then immediately be referred to the library's legal counsel.

• Counsel will examine the subpoena for any legal defect, including the manner in which it was served on the Library, the breadth of its request, its form, or an insufficient showing of good cause made to the court. If a defect exists, then counsel will advise on the best method to resist the subpoena.
• The Library Director, through legal counsel, should insist that any defect be cured before records are released and that the subpoena is strictly limited to require release of specifically identified records or documents.

• The Library Director and legal counsel will review the information that may be produced in response to the subpoena before releasing the information. The Library Director will follow the subpoena strictly and will not provide any information that is not specifically requested in it.

• If disclosure is required, then the Library Director will ask the court to enter a protective order (drafted by the Library’s counsel) keeping the information confidential and limiting its use to the particular case. The Library will ask that access be restricted to those persons working directly on the case.

2.2 SEARCH WARRANTS
A search warrant is executable immediately, unlike a subpoena. The agent or officer may begin a search of the Library’s records as soon as the Library Director is served with the court’s order.

• The Library Director should ask to consult with the Library’s legal counsel before the search begins in order to allow legal counsel an opportunity to examine the search warrant and to assure that the search conforms to the terms of the search warrant.

• If the officer refuses to delay the search, the Library Director will examine the warrant to be sure it has been issued by a local or Federal court in New York State and it is not expired. If the validity of a warrant is questioned, the issuing court will be called to determine the validity. The warrant will also include information that identifies the premises and the items or records to be searched.

• The Library will cooperate with the search to ensure that only the records identified in the warrant are produced and that no other users’ records are viewed or scanned.

• An inventory of the records or items seized from the Library will be recorded. If possible, keep the originals and provide the agent with copies (or make copies for the library’s reference).

2.3 SEARCH WARRANTS ISSUED UNDER THE USA PATRIOT ACT
AMENDMENT OF THE FOREIGN INTELLIGENCE SURVEILLANCE ACT (FISA):
• The recommendations for a regular search warrant still apply. However, a search warrant issued by a FISA court also contains a “gag order.” That means that no person or institution served with the warrant can disclose that the warrant has been served or that records have been produced pursuant to the warrant.
The Library and its staff must comply with this order. No information can be disclosed to any other party, including the patron whose records are the subject of the search warrant.

The “gag order” does not change a Library’s right to legal representation during the search. The Library can still seek legal advice concerning the warrant and request that the Library’s legal counsel be present during the actual search and execution of the warrant.

2.4 COURT ORDER ISSUED AS A NATIONAL SECURITY LETTER

The procedure is the same as for a search warrant. However, a gag order applies. The Director will contact Library counsel. If the Director is not available, contact the Assistant Director or Librarian in charge. S/he may request that the Library’s legal counsel be present during the search and that the search be delayed until counsel examines the court document. If law enforcement chooses to proceed, the Library must comply.

2.5 FOIL (FREEDOM OF INFORMATION LAW) REQUESTS

The Mahopac Public Library as a New York State governmental entity complies as required by law, with the New York Freedom of Information Law (Public Officers Law, Article 6, Section 87, Freedom of Information Law).

A person may request information and records available to the public in the following manner:

- Use the Freedom of Information Law request form (attached).
- Direct the request to the following address:

  Records Access Officer
  Mahopac Public Library
  668 Route 6

- Specify the records requested to be disclosed for inspection or to be copied. If any records are to be certified, then they must be specified.

- Reimburse the Library the actual costs for reproducing and certifying (if requested) the records. The following fees shall be charged: $0.25 per page not in excess of nine inches by fourteen inches, or the actual cost of reproducing any other record. The Library, upon notice to the individual requesting the record, may charge an amount equal to the hourly salary of the lowest paid Library employee who has the skill to prepare the copy, and will charge such amount only if at least two hours of Library employee time is needed to prepare the record. The Library may also, upon notice to the individual requesting the record, charge the actual cost of engaging an outside professional service.
to prepare a copy of the record. If the records can be scanned and transmitted via email, and doing so will not involve any additional effort to an alternate method of responding by the Library, then the Library will transmit the records via email and will not charge a fee. However, if more than two hours of Library employee time is needed to prepare an electronic record, upon notice to the person requesting the record, the Library may charge an amount equal to the hourly salary of the lowest paid Library employee who has the skill to prepare a copy of the requested record.

- The Records Access Officer shall respond to a written request within five (5) working days or sooner if possible. If additional time is necessary, the Library will provide written acknowledgement of receipt of the request and a statement of the approximate date when such request will be granted or denied.

- Records shall be available for inspection in person at no cost and by appointment. An employee must be present throughout the inspection.

- Any person denied access to a record may appeal, in writing, within thirty (30) days to the President of the Board of Trustees, using the Freedom of Information Law Appeal form (attached).

- Information about the Freedom of Information Law can be obtained from:

3. RETENTION AND DISPOSITION OF RECORDS

3.1 The records of the Library will be retained and disposed of in accordance with the schedules published in Records Retention and Disposition Schedule MI-1 by The University of the State of New York and The State Education Department. The following sections are most pertinent to the Library: Library/Library System, Fiscal, and Personnel/Civil Service. The current Schedule is on file in the office of the Library Director and is available during normal business hours.

The Library Director shall serve as the Records Management Officer for the Library in order to insure compliance with the aforementioned Records Retention and Disposition Schedule MI-1

1. PURPOSE

Reference services at the Mahopac Public Library support the educational, informational, and recreational needs of the residents of Mahopac School District, Town of Carmel, and Putnam County. As the County Reference Center, people outside this geographic area may contact the reference department for assistance on matters pertaining to this region.

2. PROTOCOLS

Librarians are trained to use a variety of sources in order to assist patrons in locating information and/or using specific materials. Answers will be given in a timely fashion as staff and resources permit. Services fall into one of the following categories:

- **Ready Reference** – questions that require a few minutes to answer.
- **In-Depth Reference** - requests for help that require more than a few minutes of staff assistance. This type of request may require scheduling an appointment, referral to subject specialists and/or referral to another library. A referral is determined by the librarian based upon knowledge of the limits of Mahopac Public Library's resources.
- **Closed Reference Materials** - items of particular interest or value that are housed in a staff-only area, away from the rest of the collection, and only are accessible to patrons upon request. A Library staff member must accompany patrons during the use of these materials or a security/identification item such as a driver's license or keys must be held at the Reference Desk while the materials are being used.
- **Instructional Workshops** - the Library provides instruction on the use of computers and selected resources.
- **Access to Electronic Resources** - online catalogs, databases, and journals are available in the Library, and in many cases, for off site use, through the Internet, and on the Library's Web site.
- **Interlibrary Loan** - materials not available at Mahopac Public Library can be borrowed from other libraries in the Mid-Hudson Library System or nationwide (certain fees may apply).
- **Research** - in one of the Library’s special collections, such as fundraising, law, local history, and genealogy. Researchers and scholars in other areas will be referred to resources in other libraries.
- **Census Data** - available on microfilm through the Library's membership in the National Archives Census Microfilm Program.
- **Government Documents** - the nearest depository collections are located at St.Thomas Aquinas College Library in Dutchess County and SUNY Purchase Library in Westchester County.
3. **ACCESSING SERVICES**

Every librarian is able to answer most questions. Librarians may determine that one of their colleagues is better qualified to answer a patron’s question based upon assessment of skills such as special subject training. In such cases, questions may be referred to the most qualified librarian.

Services may be accessed in one of the following ways:

- In person -- the librarian will conduct a reference interview, direct the patron to appropriate resources, and show the patron how to use them.
- Telephone -- if the question is not Ready Reference, the librarian will take patron’s name and telephone number for a call back.
- E-mail -- can be found on the library's Web site under About Us on the Menu Bar.

4. **DELIVERY OF INFORMATION**

Information is provided via telephone, fax, e-mail, photocopies, and/or print and non-print materials. There may be charges or fees, licensing, and/or use of materials restrictions. The Mahopac Public Library will not request or deliver information until the patron agrees to the relevant terms and conditions.

- The library cannot fulfill requests that either:
  - infringe upon copyright, or
  - violate the privacy of individuals, or
  - require an opinion based on the data such as legal interpretations, medical diagnoses, the financial significance of stock quotes, and so forth.

5. **PATRON RESPONSIBILITIES**

Patrons who use the reference services of Mahopac Public Library are expected to comply with the above policies without harassing staff or other Library users, without damaging Library materials or facilities, and without violating applicable local, state, and/or federal laws (for example, New York State Penal Law Articles 145, 235, 240.)

Patrons who violate these policies and statutes may lose their privilege to use the library and its resources and/or be subject to criminal prosecution and other legal action.

Security Camera Policy

PURPOSE
The Mahopac Public Library employs video security cameras to ensure the physical security of the library facility, staff and patrons. A sign is posted at the library entrance informing the public that security cameras are in use.

The purpose of this policy is to establish guidelines for the placement and use of video security cameras, as well as the access and retrieval of recorded digital video images at the Mahopac Public Library.

SECURITY CAMERA LOCATIONS
Reasonable efforts are made to safeguard the privacy of library patrons and employees. The video security cameras are positioned to record only those areas specified by the Director, and will complement other measures to maintain a safe and secure environment in compliance with library policies. Camera locations shall not be changed or added without permission of the Director.

Cameras may be installed in locations where staff and customers would not have an expectation of privacy. Examples include common areas of the Library such as entrances, near book and media collections, public seating, and parking lots. Cameras will not be installed in areas where staff and public have a reasonable expectation of privacy, such as restrooms; nor are they positioned to identify a person’s reading, viewing or listening activities in the library.

ACCESS TO DIGITAL IMAGES
Recorded digital video images may contain personally identifiable information about an individual who has used any library service or borrowed any library materials (“patron information”), and will be accorded the same level of confidentiality and protection provided to library users by the Mahopac Public Library’s Patron Privacy Policy.

Typically, images will not be routinely monitored in real time unless specifically authorized by the Library Director.

Only the Director or Assistant Director is authorized to access the recorded digital video images in pursuit of incidents of criminal activity or violation of the Library Code of Conduct. Other staff members may be given authorization to access this equipment on a limited basis.

Occasional spot checks of the recorded data may be made by the Library Director to assure proper operation of the system and to review access procedures. The frequency of viewing and the amount of video reviewed at one time will be limited to the minimum needed to give assurance that the system is working and to verify compliance of access policies.

USE/DISCLOSURE OF VIDEO RECORDS
Video records and still photographs may be used by authorized individuals to identify those responsible for library policy violations, criminal activity on library property, or actions considered disruptive to normal library operations.
Video records and still records may be shared with authorized library employees when appropriate or, upon approval by the Director, other library staff to identify those suspended from library property and to maintain a safe, secure and policy-compliant environment.

Under certain circumstances, individuals authorized under this policy may use a still photograph or selected portions of recorded data to request law enforcement review for assessing the security risk of a specific individual or for investigating a crime on library property.

LAW ENFORCEMENT ACCESS TO SECURITY CAMERA FOOTAGE

Library staff and volunteers are required to refer any law enforcement request for security camera footage or still photographs to the Library Director, or, in his or her absence, the Assistant Director. The library does not make security camera footage or still photographs available to any agency of federal, state, or local government unless a subpoena, warrant, or court order is issued pursuant to law. Before complying with any such requests, legal counsel is consulted to determine the proper response.

In the event of a search warrant, which is executable immediately, Library Administration will comply with the search warrant and consult with legal counsel. Upon receipt of a subpoena or other court order, Library Administration shall consult with legal counsel to determine if the document is in proper form and that good cause for its issuance in a court of proper jurisdiction is demonstrated. If not, Library Administration shall insist any defect be remedied before releasing records that contain patron information.

GENERAL PUBLIC ACCESS TO SECURITY CAMERA FOOTAGE

Confidentiality/privacy issues prohibit the general public from viewing security camera footage. If a member of the general public wishes to obtain a copy of video footage they should make the request to the Library Director, or, in his or her absence, the Assistant Director.

RETENTION OF DIGITAL IMAGES

The Library avoids creating unnecessary records, retaining records not needed for the fulfillment of the mission of the Library, as well as practices that could place personally identifiable information on public view.

Recorded digital video images are stored on hardware in a locked area in the Library. Recordings are retained for one month.

Tutoring

The Mahopac Public Library permits tutoring on its premises as part of its educational mission. Both tutors and students are required to abide by all rules and policies of the Library.

- Tutors are required to observe the following guidelines when tutoring in the Mahopac Public Library; failure to comply may result in the loss of tutoring privileges in the Library.

- Tutors may not publish or distribute advertising or letters identifying the Library as their place of doing business or imply Library sponsorship or endorsement of their professional activities. Pursuant to the Library’s Code of Conduct, tutors may not solicit Library patrons in the Library (see Code of Conduct).

- The Library does not sponsor, recommend or assume liability or responsibility for the work and/or activities of the tutor and all arrangements must be made between the student/parent and the tutor. The tutor is responsible for establishing communication protocols for the students and their parents. The Library staff is not responsible for making or canceling tutoring sessions or relaying messages between tutors and students.

- The Library may not be used as a classroom or office space, but as a safe, quiet workspace for students and tutors.

- There is no designated space in the Library for tutoring, nor may any space be reserved for tutoring.* Tutors may use any public space in the Library, including the meeting rooms if they are not being used. Tutors should always check with a Library staff member prior to using a meeting room. Study Rooms 1 and 2 may not be used for tutoring.

  - Tutors with students in grades 5 and under should use public space on the first floor of the Library including the Lakeview Room if available. As per the Library’s ‘Children’ Policy, Children in fifth grade and under shall be accompanied in the building by a responsible adult who must remain with the children at all times. (See Children) In this instance, the tutor becomes the responsible adult unless the parent/caregiver remains in the building during the entire tutoring session.

  - *Tutors who are providing Mahopac Central School District mandated student evaluations or early intervention assessments may reserve a Study Room at the Library by submitting a Room Request Application and Hold Harmless agreement at least 24 hours in advance. The Room Request Application must be approved by the Library Director or designated staff member.

- Tutors and students must bring their own supplies.

- Tutors and students being tutored are encouraged to obtain a Library card.
• Tutors and students are subject to the Library's Code of Conduct and Internet Use Policy. The tutor shall be responsible for the students’ compliance to Library rules.
Use of Materials

1. **RATIONALE AND SCOPE**
   In order to insure a fair and equitable access to the materials and information in the Library’s collection, the Mahopac Public Library sets policies for length of loan periods, renewals, reserves, fines, and fees. The Library determines which materials may be borrowed, for how long, and who is eligible to borrow them.

2. **ELIGIBILITY AND REGISTRATION**

   2.1 **CATEGORIES OF ELIGIBILITY**
   Persons who reside or pay taxes on property in the Town of Carmel, in Mahopac or in the Mahopac Central School District are issued a library card at no charge upon presentation of acceptable proof of residency, in person, as described in Section 2.2. Residents in good standing must have cards renewed every three (3) years at which time residency will be verified. This card may be used at any one of the 66 member libraries in the Mid-Hudson Library System.

   Persons who work or attend school in the Town of Carmel and who reside outside of the Mid-Hudson Library System service area are issued a library card, at no charge, upon presentation of acceptable identification and proof of employment or school attendance, in person, as described in Section 2.2. Non-residents in this category, who are in good standing, must have their cards renewed annually at which time acceptable identification will be verified.

   Mahopac residents fourteen (14) years of age or older can fill out and submit an online library card application. They will then receive an email with their library card number and temporary PIN. This card number and PIN will be authorized for digital services only. For full borrowing privileges, a patron must visit Mahopac Library with acceptable ID.

   Organizations located in the Town of Carmel may apply for a library card at no charge upon presentation of acceptable identification. The organizations must agree to accept responsibility for all materials that are checked out using the organizational cards and the cards must be renewed annually.

   Persons who reside outside the Mahopac Central School District and the Mid-Hudson Library System service area may obtain a Mahopac Public Library card upon presentation of acceptable proof of residency, in person, and payment of an annual non-resident's fee.

   2.2 **ACCEPTABLE IDENTIFICATION**
   Applicants for Mahopac Public Library cards must show identification with a current residential address. Identification with only a post office box number or with a motel
address is not sufficient. The following are considered acceptable proofs of identification:

- a valid New York State driver’s license or identification card issued by the New York Motor Vehicle Division with current residential address; or,
- a valid temporary driver’s license with current residential address or,
- a valid passport

If the applicant’s current address does not match the address on their photo identification, the following will be considered acceptable proofs of residency:

- school ID with photo; or,
- canceled mail postmarked within the last week; or,
- telephone, utility, rent, or tax bills.

Applicants who work or attend school in the Town of Carmel must show proof of employment or school attendance. Applicants must include this information on their registration form.

Organizational applicants must show proof of location within the Town of Carmel and an employee of the applicant organization must sign the acceptance of responsibility on the registration form.

Applicants must verify the accuracy of the information on the registration form, read the statement of responsibility, and provide an original signature on the form. For applicants under the age of fourteen (14), the parent, custodial parent, or legal guardian must be present with the applicant, accept responsibility for the use of the child’s library card, and sign the registration form.

Applicants age fourteen (14) to seventeen (17) will be issued a library card upon presenting their school ID and filling out an application form. A letter will be mailed to the minor’s parent or guardian informing them that a card has been issued and that they are responsible for the items on their child’s card. The parent or guardian is given the option of contacting the library to have the card status changed to digital use only so their child cannot borrow physical items.

3. **BORROWING LIBRARY MATERIALS**

3.1 **RESPONSIBILITY**

In order to borrow library materials, a patron must present a valid library card or an acceptable alternative proof of identity at the time of check out.

The patron is responsible for all library materials checked out on his/her library card. For patrons under the age of eighteen (18), the adult who signed the registration form takes this responsibility.

For cardholders aged eleven (11) and under, the parent/guardian listed on the patron record is considered to be the co-holder of the library card and, as such, has access to all of the information regarding the card, including but not limited to, the items checked out and items placed on hold.

For cardholders aged twelve (12) and over, the parent/guardian listed on the patron record is financially responsible for the items on the minor’s card. However, in order to have access to the titles of items on the account or to pick up items on hold for the cardholder, the library must have a form on file, signed by the cardholder, authorizing the disclosure of this information to the parent/guardian listed on the library card account.

A patron will have his/her library privileges suspended if one or more of the following conditions exists:

- a patron owes more than $ 10.00 in fines or replacement costs of materials; or
- mail is returned;

Library privileges will be restored when accounts have been cleared and/or updated.

3.1(a) **SUSPENSION OF LIBRARY PRIVILEGES FOR REASONS OF HEALTH AND SAFETY**

It is the responsibility of the Mahopac Public Library to maintain a healthy and clean environment for all library patrons, and to protect the library’s collections, equipment, and property in this regard. To this end, the library may restrict a patron’s ability to borrow material and/or to visit library facilities when such use may jeopardize the health and cleanliness of library facilities, collections, and users.

Health and Safety Instances in which borrowing materials may be suspended could include, but are not limited to:

- Evidence that items checked out on a patron's card were returned with insects known to be damaging to library materials, e.g. roaches, silverfish, and some types of beetles.
• Evidence that items checked out on a patron's card were returned with insects that could result in pest infestations in library facilities, e.g. fleas, lice, bed bugs or roaches.

• Evidence that library materials checked out on a patron's card were returned with stains that are clearly and obviously urine, feces, or blood, whether human or animal.

Health and Safety Instances where an individual may be asked to leave the library facilities, and/or have future access to library facilities suspended, could include, but are not limited to:

• Patrons or patron possessions with fleas, lice, roaches, bed bugs, or other insects or pests.

• Patrons with clothing stained with blood, urine or feces.

• Patrons who are actively bleeding from or have exposed open and infected wounds.

• Borrowed materials returned with evidence of pest infestation may also result in suspension of patron use of the library facility.

Should it become necessary to suspend a patron's library privileges in order to protect library collections, facilities, or other individuals, direct notification of the suspension will be made by library staff at the time of the occurrence. Suspension of access to facilities and borrowing privileges will be considered temporary and will be restored when the suspended patron demonstrates that the originating situation has been remediated. This may include proof of qualified extermination procedures conducted at the patron's primary residence, proof of medical attention received, or further proof.

Returning Material That May Have Come in Contact with Pests

If library materials may have come into contact with bed bugs, roaches, lice, fleas, or other insects or pests while in a patron's possession, the patron SHOULD NOT return the material through the book drop. Instead, the patron should place the items in a securely closed plastic bag and notify a staff member immediately upon return of the materials to the circulation desk, so the staff member can take necessary precautions.

Materials that are returned with bed bug or other pest infestation will be treated or discarded at the library's discretion. Materials that must be discarded may be charged to the patron at full replacement value, and all relevant circulation policies regarding fines and fees apply. If further occurrence of infestation of materials occurs, library privileges may be permanently withdrawn.
Bed Bug Prevention & Containment
The potential for bed bugs is a reality in today's library environment. The Mahopac Public Library strives to prevent and contain the presence of bed bugs and their eggs both in the library facility and on library materials by ensuring that library staff is fully aware of prevention, recognition, containment and elimination protocol and related procedures, and by regularly reviewing and updating those procedures to maintain best practices.

The library works proactively to:

- Reduce the risk to patrons, staff, facility and materials.
- Perform visual inspections of all returned materials upon receipt, and report findings to library administrators.
- Perform visual inspections of library furnishings on a regular basis, and report findings to library administrators.
- Contract only licensed and accredited pest control companies in the prevention and treatment of the facility.
- Review and maintain best practices from public health authorities to ensure policies and procedures remain current.
- Encourage the immediate reporting of all sightings of live or dead bed bugs and eggs by staff and/or patrons.

If bed bugs are found in the library, licensed exterminators will be called in to treat the facility, including carpets and furnishings. The public will be notified as to exactly what procedures and chemicals are used at the time of the occurrence. The facility will remain closed until it is re-checked and found to be free of bed bugs.

3.2 Loan Periods and Limits
Loan periods and limits are designed to balance the individual user’s needs with those of the user community. The Board of Trustees sets these loan periods and limits; current values are contained in Section 8.1 and are available at the circulation desk.

3.3 Renewals
A circulating item, except E-readers, iPads, and museum passes, may be renewed if it is not on hold for another patron. Current renewal periods are contained in Section 8.2. Items may be renewed in the Library, by telephone, by e-mail, or via the Library’s online catalog.
3.4 RETURN OF ITEMS
Items, except E-readers, iPads, and museum passes, may be returned to any library in the Mid-Hudson Library System. Anything returned to Mahopac Public Library before the Library opens for the day is considered returned the previous day.

3.5 OVERDUE NOTICES
In order to remind users that they have overdue items, two (2) notices will be sent out.

The first notice is an overdue/reminder notice that is sent out after items are approximately fourteen (14) days late. The second notice is a bill for the value of the missing items that is sent out after the items are twenty-eight (28) days late or later.

3.6 CLAIMS RETURNED
If a Library user feels that he/she has returned an item and if that item is not on the shelf, then the user may claim the item returned with no penalty, at the discretion of the Head of Readers’ Services.

There is a limit of three (3) claims returned per user.

3.7 NON-CIRCULATING ITEMS
Newspapers and items whose physical format is very susceptible to damage do not circulate. In addition, books that have been designated for reference use do not circulate. In general, these are titles that are not designed to be read from cover to cover but are used to find answers to specific questions, and must be available at all times to the Reference staff in order to respond to requests for information from the public as efficiently as possible. The Library Director may grant exceptions to this rule.

3.8 EQUIPMENT
The Library does not accept any responsibility for damage caused to patrons' equipment as a result of using borrowed media.

Revised: April 23, 2003; June 22, 2016; October 24, 2018
4. **FINES AND FEES**

4.1 Overdue fines are assessed for items returned past their due date to encourage Library users to return their materials by the designated return date so that they are available for other users. The Board of Trustees sets these fines and fees; current values are contained in Sections 8.3 and 8.4 and at the circulation desk. New York State Education Law Section 265 provides for additional penalties.

Disputed fines will be reconciled upon presentation of a receipt within one (1) year of issuance.

4.2 Lost or damaged items are assessed at their current, full replacement costs. The Library does not accept replacement materials without the approval of the librarian(s) who ordered the material. If the item is found and is in good condition, then a refund of the replacement cost less 10% will be made upon presentation of a receipt or other proof of payment within six (6) months of issuance.

4.3 The Circulation staff has the option of waiving or reducing charges if they determine that there are extenuating circumstances.

4.4 A Returned Check Fee will be assessed for any check returned to the Library for any reason.

5.1 **INTERLIBRARY LOAN REQUESTS**
Library users may request that the Library attempt to locate and borrow for their use a specific book or magazine article or audio-visual item that is not available in the Mid-Hudson Library System.

Library users shall complete an Inter-Library Loan request Form and agree to pay a postage/delivery fee and the fee that the lending library may charge for its service.

The circulation policies of the lending library will prevail. The lending library may limit the number of interlibrary loan requests that it will accept.

Mahopac Public Library can borrow census microfilm from the National Archives. Users of this service are responsible for the shipping fees.

Under no circumstances shall Library staff provide information of any kind about an individual Library user.

Patrons who wish to allow other individuals or family members to have access to information about materials on their library card or to pick up and check out material on reserve must sign a Confidentiality Waiver naming the person(s) with whom the staff is authorized to share this information.

Vulnerable Adults Policy

Mahopac Public Library strives to provide a warm, welcoming and safe environment for all community members. The Library is particularly concerned for the safety of vulnerable adults* in and around the Library. A parent/guardian or caregiver eighteen years of age or older must be responsible for monitoring the activities and managing the behavior of vulnerable adults during their Library visits.

Definitions
*A vulnerable adult is an individual over the age of eighteen who is mentally or physically challenged to a degree that significantly impairs the individual’s ability to provide adequately for his/her own care or manage his/her own behavior without assistance.

Policy Statement
1. Vulnerable adults who can understand and follow the rules of conduct and who can care for themselves are welcome to be in the Library unattended. Vulnerable adults will be expected to follow the rules of conduct as outlined in the Code of Conduct. They should have contact information for a parent/guardian or caregiver who can assist them in an emergency.
2. Vulnerable adults who are unable or unwilling to care for themselves must be attended and have adequate supervision at all times.
3. The Library assumes no responsibility for vulnerable adults left unattended on the Library premises. Staff members are responsible for assisting all Library customers and cannot adequately monitor unattended vulnerable adults.
4. Staff cannot be expected to monitor or prevent vulnerable adults from leaving the building/grounds or to assume responsibility for monitoring their behavior.
5. Sudden emergencies may occur in the Library and in such cases the Library assumes no responsibility for unattended vulnerable adults.
6. Staff will attempt to contact a parent/guardian or caregiver when a vulnerable adult’s:
   a. Health or safety is in doubt
   b. Behavior disturbs other Library users
   c. Actions violate the Code of Conduct
   d. Parent/guardian or caregiver is not present at closing time
7. Every reasonable effort will be made by the staff to assist the vulnerable adult in contacting the appropriate parent/guardian or caregiver. If no responsible adult is reached, or the vulnerable adult is not picked up by closing, staff may notify the police.

Wi-Fi Hotspot Lending

Mahopac Public Library has established a Wi-Fi hotspot lending program to provide temporary internet access to patrons in our community who currently do not have high speed internet access or are in need of portable internet access. With this program patrons can further what they have learned in our computer classes by accessing tutorials and assignments from home, employees can travel with reliable internet access to meetings and presentations, and patrons can have home access to the library’s digital resources such as our databases, eBooks, streaming music and movies.

The Library is not responsible for any liability, damages or expense resulting from use or misuse of the device, connection of the device to other electronic devices, or data loss resulting from use of device. Any use of the device for illegal purposes, unauthorized copying of copyright-protected material in any format, or transmission of threatening, harassing, defamatory or obscene materials is strictly prohibited.

Wi-Fi hotspots may be borrowed by Mahopac Central School District residents who are 18 years of age or older, with a Mahopac Public Library card in good standing (a library card in good standing is defined as one with no fines, fees, lost or overdue materials). Checkout is limited to one per household at any given time. The Library reserves the right to refuse service to patrons who abuse equipment or who are repeatedly late in returning electronic devices.

Wi-Fi hotspots are available at the Information Desk on a first-come, first-served basis. They may not be reserved. In order to borrow a hotspot, the patron’s library card or government-issued photo identification must be presented to the Information Desk. At the time of check-out, a patron must complete a Wi-Fi Hotspot Lending Agreement. Once a hotspot is checked out to a patron, it becomes the responsibility of that patron per the Wi-Fi Hotspot Lending Agreement.

Hotspots may be borrowed for two (2) weeks. They must be returned in person to the Information Desk, and never to another library or in the book drop. Devices returned in the book drop will result in a $25 fine. If damage to the device is discovered by Library staff, these costs will be added to the patron’s account. The overdue cost for the item is $2.00 per day up to the full cost of the item. If a hotspot is not returned, the borrower will be charged the full replacement cost. Patrons who consistently return hotspots late or lose a hotspot may lose the right to borrow them.

Appendices
Appendix I
Library Bill of Rights

The American Library Association affirms that all libraries are forums for information and ideas, and that the following basic policies should guide their services.

I. Books and other library resources should be provided for the interest, information, and enlightenment of all people of the community the library serves. Materials should not be excluded because of the origin, background, or views of those contributing to their creation.

II. Libraries should provide materials and information presenting all points of view on current and historical issues. Materials should not be proscribed or removed because of partisan or doctrinal disapproval.

III. Libraries should challenge censorship in the fulfillment of their responsibility to provide information and enlightenment.

IV. Libraries should cooperate with all persons and groups concerned with resisting abridgment of free expression and free access to ideas.

V. A person’s right to use a library should not be denied or abridged because of origin, age, background, or views.

VI. Libraries which make exhibit spaces and meeting rooms available to the public they serve should make such facilities available on an equitable basis, regardless of the beliefs or affiliations of individuals or groups requesting their use.

Adopted by the Mahopac Library Board of Trustees: February 28, 1990
Re-adopted: January 25, 2017
The freedom to read is essential to our democracy. It is continuously under attack. Private groups and public authorities in various parts of the country are working to remove or limit access to reading materials, to censor content in schools, to label "controversial" views, to distribute lists of "objectionable" books or authors, and to purge libraries. These actions apparently rise from a view that our national tradition of free expression is no longer valid; that censorship and suppression are needed to counter threats to safety or national security, as well as to avoid the subversion of politics and the corruption of morals. We, as individuals devoted to reading and as librarians and publishers responsible for disseminating ideas, wish to assert the public interest in the preservation of the freedom to read.

Most attempts at suppression rest on a denial of the fundamental premise of democracy: that the ordinary individual, by exercising critical judgment, will select the good and reject the bad. We trust Americans to recognize propaganda and misinformation, and to make their own decisions about what they read and believe. We do not believe they are prepared to sacrifice their heritage of a free press in order to be "protected" against what others think may be bad for them. We believe they still favor free enterprise in ideas and expression.

These efforts at suppression are related to a larger pattern of pressures being brought against education, the press, art and images, films, broadcast media, and the Internet. The problem is not only one of actual censorship. The shadow of fear cast by these pressures leads, we suspect, to an even larger voluntary curtailment of expression by those who seek to avoid controversy or unwelcome scrutiny by government officials.

Such pressure toward conformity is perhaps natural to a time of accelerated change. And yet suppression is never more dangerous than in such a time of social tension. Freedom has given the United States the elasticity to endure strain. Freedom keeps open the path of novel and creative solutions, and enables change to come by choice. Every silencing of a heresy, every enforcement of an orthodoxy, diminishes the toughness and resilience of our society and leaves it the less able to deal with controversy and difference.

Now as always in our history, reading is among our greatest freedoms. The freedom to read and write is almost the only means for making generally available ideas or manners of expression that can initially command only a small audience. The written word is the natural medium for the new idea and the untried voice from which come the original contributions to social growth. It is essential to the extended discussion that serious thought requires, and to the accumulation of knowledge and ideas into organized collections.
We believe that free communication is essential to the preservation of a free society and a creative culture. We believe that these pressures toward conformity present the danger of limiting the range and variety of inquiry and expression on which our democracy and our culture depend. We believe that every American community must jealously guard the freedom to publish and to circulate, in order to preserve its own freedom to read. We believe that publishers and librarians have a profound responsibility to give validity to that freedom to read by making it possible for the readers to choose freely from a variety of offerings.

The freedom to read is guaranteed by the Constitution. Those with faith in free people will stand firm on these constitutional guarantees of essential rights and will exercise the responsibilities that accompany these rights.

We therefore affirm these propositions:

1. **It is in the public interest for publishers and librarians to make available the widest diversity of views and expressions, including those that are unorthodox, unpopular, or considered dangerous by the majority.**

Creative thought is by definition new, and what is new is different. The bearer of every new thought is a rebel until that idea is refined and tested. Totalitarian systems attempt to maintain themselves in power by the ruthless suppression of any concept that challenges the established orthodoxy. The power of a democratic system to adapt to change is vastly strengthened by the freedom of its citizens to choose widely from among conflicting opinions offered freely to them. To stifle every nonconformist idea at birth would mark the end of the democratic process. Furthermore, only through the constant activity of weighing and selecting can the democratic mind attain the strength demanded by times like these. We need to know not only what we believe but why we believe it.

2. **Publishers, librarians, and booksellers do not need to endorse every idea or presentation they make available. It would conflict with the public interest for them to establish their own political, moral, or aesthetic views as a standard for determining what should be published or circulated.**

Publishers and librarians serve the educational process by helping to make available knowledge and ideas required for the growth of the mind and the increase of learning. They do not foster education by imposing as mentors the patterns of their own thought. The people should have the freedom to read and consider a broader range of ideas than those that may be held by any single librarian or publisher or government or church. It is wrong that what one can read should be confined to what another thinks proper.
3. **It is contrary to the public interest for publishers or librarians to bar access to writings on the basis of the personal history or political affiliations of the author.**

No art or literature can flourish if it is to be measured by the political views or private lives of its creators. No society of free people can flourish that draws up lists of writers to whom it will not listen, whatever they may have to say.

4. **There is no place in our society for efforts to coerce the taste of others, to confine adults to the reading matter deemed suitable for adolescents, or to inhibit the efforts of writers to achieve artistic expression.**

To some, much of modern expression is shocking. But is not much of life itself shocking? We cut off literature at the source if we prevent writers from dealing with the stuff of life. Parents and teachers have a responsibility to prepare the young to meet the diversity of experiences in life to which they will be exposed, as they have a responsibility to help them learn to think critically for themselves. These are affirmative responsibilities, not to be discharged simply by preventing them from reading works for which they are not yet prepared. In these matters values differ, and values cannot be legislated; nor can machinery be devised that will suit the demands of one group without limiting the freedom of others.

5. **It is not in the public interest to force a reader to accept the prejudgment of a label characterizing any expression or its author as subversive or dangerous.**

The ideal of labeling presupposes the existence of individuals or groups with wisdom to determine by authority what is good or bad for others. It presupposes that individuals must be directed in making up their minds about the ideas they examine. But Americans do not need others to do their thinking for them.

6. **It is the responsibility of publishers and librarians, as guardians of the people's freedom to read, to contest encroachments upon that freedom by individuals or groups seeking to impose their own standards or tastes upon the community at large; and by the government whenever it seeks to reduce or deny public access to public information.**

It is inevitable in the give and take of the democratic process that the political, the moral, or the aesthetic concepts of an individual or group will occasionally collide with those of another individual or group. In a free society individuals are free to determine for themselves what they wish to read, and each group is free to determine what it will recommend to its freely associated members. But no group has the right to take the law into its own hands, and to impose its own concept of politics or morality upon other members of a democratic society. Freedom is no freedom if it is accorded only to the accepted and the inoffensive. Further, democratic societies are more safe, free, and creative when the free flow of public information is not restricted by governmental prerogative or self-censorship.
7. It is the responsibility of publishers and librarians to give full meaning to the freedom to read by providing books that enrich the quality and diversity of thought and expression. By the exercise of this affirmative responsibility, they can demonstrate that the answer to a "bad" book is a good one, the answer to a "bad" idea is a good one.

The freedom to read is of little consequence when the reader cannot obtain matter fit for that reader's purpose. What is needed is not only the absence of restraint, but the positive provision of opportunity for the people to read the best that has been thought and said. Books are the major channel by which the intellectual inheritance is handed down, and the principal means of its testing and growth. The defense of the freedom to read requires of all publishers and librarians the utmost of their faculties, and deserves of all Americans the fullest of their support.

We state these propositions neither lightly nor as easy generalizations. We here stake out a lofty claim for the value of the written word. We do so because we believe that it is possessed of enormous variety and usefulness, worthy of cherishing and keeping free. We realize that the application of these propositions may mean the dissemination of ideas and manners of expression that are repugnant to many persons. We do not state these propositions in the comfortable belief that what people read is unimportant. We believe rather that what people read is deeply important; that ideas can be dangerous; but that the suppression of ideas is fatal to a democratic society. Freedom itself is a dangerous way of life, but it is ours.

The Freedom to View

The FREEDOM TO VIEW, along with the freedom to speak, to hear, and to read, is protected by the First Amendment to the Constitution of the United States. In a free society, there is no place for censorship of any medium of expression. Therefore these principles are affirmed:

1. To provide the broadest access to film, video, and other audiovisual materials because they are a means for the communication of ideas. Liberty of circulation is essential to insure the constitutional guarantee of freedom of expression.

2. To protect the confidentiality of all individuals and institutions using film, video, and other audiovisual materials.

3. To provide film, video, and other audiovisual materials which represent a diversity of views and expression. Selection of a work does not constitute or imply agreement with or approval of the content.

4. To provide a diversity of viewpoints without the constraint of labeling or prejudging film, video, or other audiovisual materials on the basis of the moral, religious, or political beliefs of the producer or filmmaker or on the basis of controversial content.

5. To contest vigorously, by all lawful means, every encroachment upon the public's freedom to view.

This statement was originally drafted by the Freedom to View Committee of the American Film and Video Association (formerly the Educational Film Library Association) and was adopted by the AFVA Board of Directors in February 1979. This statement was updated and approved by the AFVA Board of Directors in 1989.

Appendix IV
Access to Library Resources and Services for Minors
An Interpretation of the Library Bill of Rights
(formerly titled "Free Access to Libraries for Minors")

Library policies and procedures that effectively deny minors equal and equitable access to all library resources and services available to other users violate the American Library Association’s Library Bill of Rights. The American Library Association opposes all attempts to restrict access to library services, materials, and facilities based on the age of library users.

Article V of the Library Bill of Rights states, “A person’s right to use a library should not be denied or abridged because of origin, age, background, or views.” The “right to use a library” includes free access to, and unrestricted use of, all the services, materials, and facilities the library has to offer. Every restriction on access to, and use of, library resources, based solely on the chronological age, educational level, literacy skills, or legal emancipation of users violates Article V.

Libraries are charged with the mission of providing services and developing resources to meet the diverse information needs and interests of the communities they serve. Services, materials, and facilities that fulfill the needs and interests of library users at different stages in their personal development are a necessary part of library resources. The needs and interests of each library user, and resources appropriate to meet those needs and interests, must be determined on an individual basis. Librarians cannot predict what resources will best fulfill the needs and interests of any individual user based on a single criterion such as chronological age, educational level, literacy skills, or legal emancipation. Equitable access to all library resources and services shall not be abridged through restrictive scheduling or use policies.

Libraries should not limit the selection and development of library resources simply because minors will have access to them. Institutional self-censorship diminishes the credibility of the library in the community and restricts access for all library users.

Children and young adults unquestionably possess First Amendment rights, including the right to receive information through the library in print, sound, images, data, games, software, and other formats. Constitutionally protected speech cannot be suppressed solely to protect children or young adults from ideas or images a legislative body believes to be unsuitable for them. Librarians and library governing bodies should not resort to age restrictions in an effort to avoid actual or anticipated objections because only a court of law can determine whether or not content is constitutionally protected.

The mission, goals, and objectives of libraries cannot authorize librarians or library governing bodies to assume, abrogate, or overrule the rights and responsibilities of parents and guardians. As “Libraries: An American Value” states, “We affirm the responsibility and the right of all parents and guardians to guide their own children’s use of the library and its resources and services.” Librarians and library governing bodies cannot assume the role of parents or the functions of parental authority in the private relationship between parent and child. Librarians and governing bodies should maintain that only parents and guardians have the right and the responsibility to determine their children’s—and only their
children’s—access to library resources. Parents and guardians who do not want their children to have access to specific library services, materials, or facilities should so advise their children.

Librarians and library governing bodies have a public and professional obligation to ensure that all members of the community they serve have free, equal, and equitable access to the entire range of library resources regardless of content, approach, or format. This principle of library service applies equally to all users, minors as well as adults. Lack of access to information can be harmful to minors. Librarians and library governing bodies must uphold this principle in order to provide adequate and effective service to minors.

Note
1. See Brown v. Entertainment Merchant’s Association, et al. 564 U.S. 08-1448 (2011): a) Video games qualify for First Amendment protection. Like protected books, plays, and movies, they communicate ideas through familiar literary devices and features distinctive to the medium. And ‘the basic principles of freedom of speech . . . do not vary’ with a new and different communication medium.”

2. See Erznoznik v. City of Jacksonville, 422 U.S. 205 (1975): “Speech that is neither obscene as to youths nor subject to some other legitimate proscription cannot be suppressed solely to protect the young from ideas or images that a legislative body thinks unsuitable for them. In most circumstances, the values protected by the First Amendment are no less applicable when government seeks to control the flow of information to minors.” See also Tinker v. Des Moines School Dist., 393 U.S. 503 (1969); West Virginia Bd. of Ed. v. Barnette, 319 U.S. 624 (1943); AAMA v. Kendrick, 244 F.3d 572 (7th Cir. 2001).
